

FUNDRAISING FOR YOU!

Raise funds to pay for your student's school expenses through the Booster Rewards Program!

It's EASY. Money earned goes directly to your family. And, it does not involve selling ANYTHING!

What is It? It is fundraising for you while you shop. You purchase gift cards online at face value and you get a cash rebate ranging from 2-16%. Hundreds of gift cards to choose from – grocery, gas, restaurants, movie theaters, home improvements, clothing retailers and much more!

Every Purchase earns YOU valuable dollars that can be used toward sporting fees, yearbook, lab fees, etc.

Turn over for more information and FAQ's about the Booster Rewards Program.

BOOSTER REWARDS FAQ?

Earn money for **YOUR family!**

What IS Booster Rewards? It is a way for Juanita High School families to earn **REAL money** to pay for school related fees, sport fees, club fees or simply get cash back just by buying what they normally would with a gift card.

How does it work? JHS families purchase gift cards to a variety of national and local retailers at face value through Great Lakes ShopwithScrip. Because Great Lakes purchases the gift cards from retailers in large amounts with cash up front, they receive a substantial discount, the bulk of which (depending upon the retailer, ranging from 1% to 50%) is passed on to participating families.

How much can I earn? The more you shop the more you earn. For example, Safeway offers a 4% rebate. Let's say over the course of a month you spend \$500 at Safeway using a SWS gift card, you just earned **\$20 towards your family account!** These rebates add up fast and the participating retailer list is extensive: Amazon, Starbucks, Home Depot – hundreds & hundreds of retailers from groceries, clothing, hotels, restaurants and more can be purchased through the program. **At JHS, we track each family's rebates separately**, so your proceeds will go **exclusively towards your child's JHS expenses**. JHSBC does deduct 10% of your total rebate to cover administration costs.

Do I have to be a member? **Booster Rewards** is open to ALL incoming or current JHS families who want to actively use the program. This program allows you to earn “rebates” that can be used to pay ANY fees paid to the JHS Bookkeeper, PTSA or booster club! In order to participate, you **MUST** be a booster club member, but **membership is FREE**, and in addition to your PTSA membership it will keep you informed on the happenings at Juanita High School.

How do I get started? Just follow the set-up instructions on our JHSBC website! To protect the program from fraud, our enrollment code is not available online. Please email your request for the code to our Booster Rewards Coordinator at jrbcscrip@gmail.com **Once your account is activated**, you can begin using the program immediately with many of the “Scrip Now” brands (These are electronic gifts cards that are available to you immediately!) Reloadable cards must first be purchased through the SWS website. Once you purchase a reloadable brand card, you then register it to your SWS account and reload it from home or your smart phone anytime! All retailers offer a “physical (plastic) card but not all retailers offer “Scrip Now” or “Reloadable” cards so you'll want to check out your favorite stores to see what they offer.

How often can I order? **JHSBC places an order for “plastic” cards once a month.** Your family order is due no later than 9AM the Monday BEFORE the booster club meeting. Booster club meetings are usually the second Monday of the month, meaning the order is typically due the 1st Monday of the month. You can pick up your gift cards at the meeting or at the JHS bookkeepers office the day following the meeting. **However**, many gift cards can be printed from home or reloaded so you can take advantage of the program without having to wait for a physical order.

Please contact our Booster Rewards Coordinator, JRBCScrip@gmail.com if you have any questions or need any help getting started!
