

Being asked to represent the National Capital Area Emmaus Community as the Rector for E-195 is a humbling experience. The amount of love and fellowship in the air during the first teaming in February was a remarkable experience for me as well as the other 24 team members. We knew; the Holy Spirit was present, and we bonded quickly for what will become another amazing weekend for the Pilgrims which will be joining us.

The Scripture for the weekend is Joshua 24:15 ... ***as for me and my house, we will serve the Lord.*** This scripture has a deep meaning in my life as Donna and I have a son and son-in-law which refuse to believe in God, refuse to enter a church, and refuse to have a discussion about religion – but when they are in our house, they fully respect our beliefs and ONE DAY, (hopefully soon) they will be seeking answers and I will be there for them both, oh what a Glorious Day that will be. The song for the Weekend is *Greater*, by Mercy Me and the theme is “*Greater is the One*”. “He’s Greater, He’s Greater”

Being the first Men’s weekend following Covid will have its challenges; however, if HE nudges the Sponsor/Pilgrim’s to saying Yes like HE did with defining the team; then we’re going to rock the mountaintop in HIS Glory! As of March 16th 2023; we are exactly seven weeks away from going to the Mountain, and we have “8” pilgrims after calling EVERY name on the pilgrim listing. So, if you know of any men in your church willing to expand their spiritual journey following and serving our Lord and Savior; then please get their applications in soon.

God Bless and DeColores, He’s Greater, He’s Greater!
