

Protect Your Vehicle Well Beyond the Manufacturer's Warranty

Repairs Are Expensive!

Average Repair Costs

Air Conditioning System

\$2,595

Engine

\$11,327

Transmission

\$5,878

Alternator

\$835

Starter

\$643

Fuel Pump

\$1,118

Rack & Pinion

\$2,566

Brake Caliper

\$600

Power Window Motor

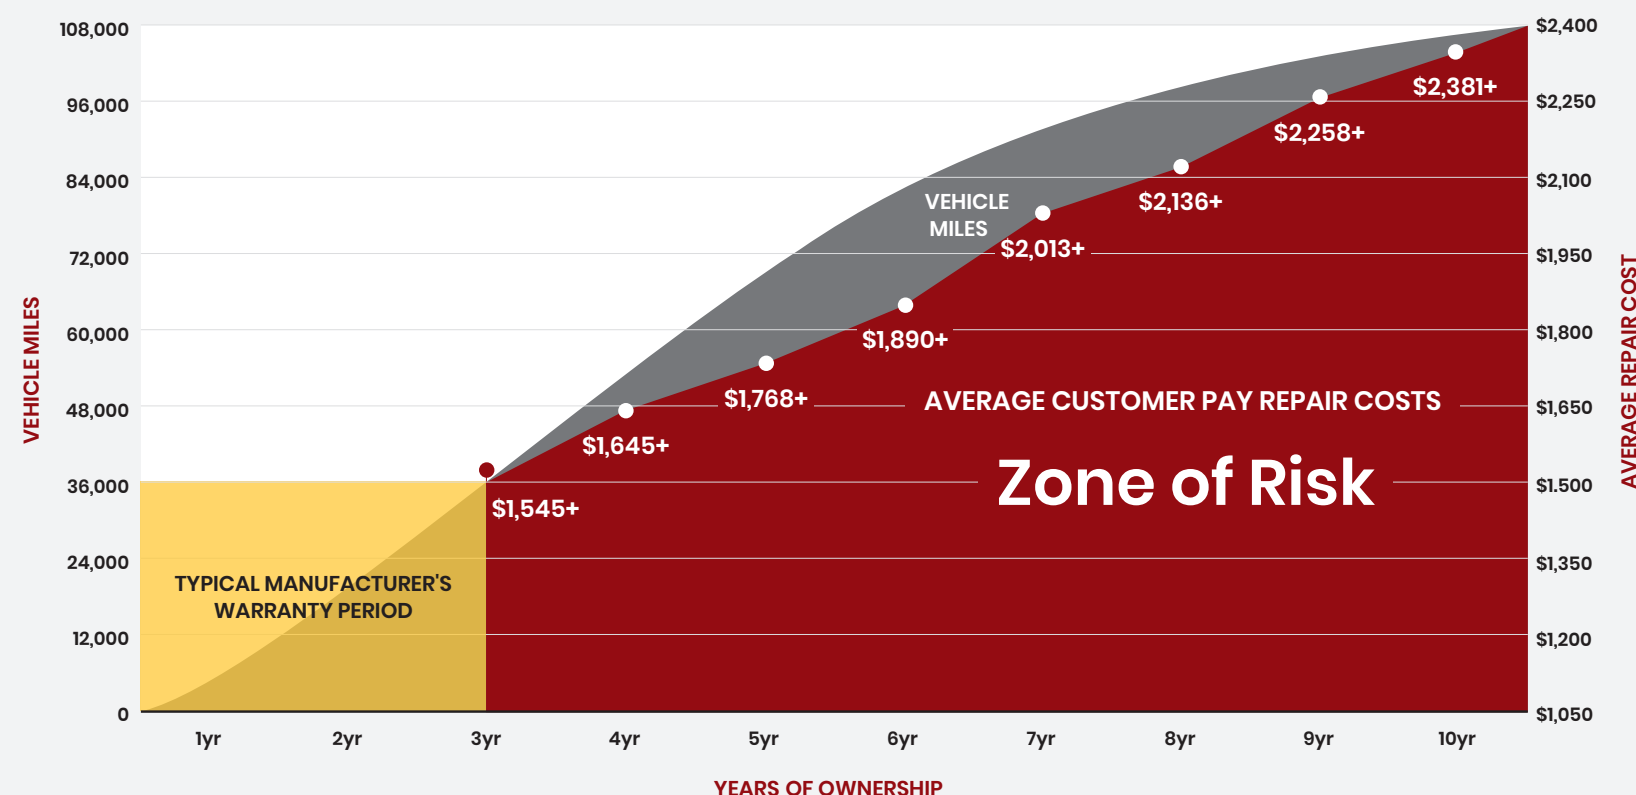

\$628

Control Arm

\$752

Breakdown Risk and Cost Increase with Time and Miles!

Coverage Benefits During the Manufacturer's Warranty and Beyond!

24-Hour Roadside Assistance up to \$100 for towing, lost key, lock-out and other road services like jump start and fluid delivery.

Rental Vehicle or Rideshare Assistance up to \$50 per day (maximum 5 days) while your vehicle is in the shop for covered repairs. Maximum 10 days if parts are delayed.

Tire Protection up to \$150 per tire for repair or replacement due to damage during their normal life by glass, nails or other road hazards. Maximum of \$600.

Trip Interruption up to \$150 per day for meals and lodging up to three days (\$450 per occurrence) if you are stranded more than 100 miles away from your home.

Consequential Loss provides coverage for the repair or replacement of non-covered components that are damaged by the failure of a Covered Component up to \$2,000.

Why Choose Mercury?

- Repairs can be done at any licensed U.S. or Canadian repair facility
- No limit on the number of claims up to maximum liability
- Mercury pays the repairer directly by credit card. Out of pocket expense for covered repairs are limited to your deductible (if any)
- Mercury pays for fluids, filters, taxes and diagnostic fees for covered repairs
- All claims are handled by Mercury, not a third party administrator. Mercury is also the insurer
- Transferable one time for a small fee if you sell to a private party
- Cancellable (prorated based on the greater of time or miles)
- 60 day free look

Key Considerations

- The risk of unexpected breakdowns increases with vehicle age and miles
- Repairs are expensive and repair costs increase over time
- Unexpected breakdowns can strain your budget and put your good credit at risk
- You effectively lock-in the cost of unexpected breakdowns for the term of the Agreement
- The ability to transfer coverage to a private party may increase your vehicle's resale value along with the chance of its sale

Repairs Per 100 Vehicles*

98 *After manufacturer's warranty expiration

Platinum Protection. Factory-like coverage that remedies ANY mechanical or electrical breakdown of your vehicle that is not specifically excluded. See Exclusions Overview below for details.

Gold Protection Plan

ENGINE

Cylinder block • Cylinder head(s) • Turbocharger/supercharger and their internal components and mounts • Timing gears • Timing/balance shaft chain/belt, guides, tensioners, sprockets and cover • Flywheel/flex-plate • Harmonic balancer • Oil pan • Oil pump • Intake manifold • Exhaust manifold • Valve cover(s) • Wastegate • Engine oil pressure gauge • Radiator • Radiator fan • Electric fan motor • Water pump and pulley • Water pump housing • Belt tensioner • Fan clutch • Fan shroud • Radiator coolant recovery unit • Electric radiator fan motor relay/switch • Electric radiator fan motor sensor • Engine thermostat • Engine coolant temperature gauge • Hot water valve.

TRANSMISSION AND TRANSFER CASE

Transmission and transaxle cases and their internal components and mounts • Torque converter • Vacuum modulator • Transmission oil cooler • Gear shift lever • Electronic shift control processor • Electronic shift control sensor • Transmission shift linkage • Pan • Four wheel drive actuator • Transfer case and all internal components and mounts.

DRIVE AXLE

Final drive and axle housings and their internal components • Axles • Axle shafts and bearings • Propeller shafts • Hubs • Constant velocity joints • Universal joints • Center bearings • Yokes • Hub bearings • Locking rings • Differential cover.

ELECTRICAL

Alternator • Voltage regulator • Ignition coil • Ignition switch • Electronic ignition module • Electronic fuel injection sensors • Electronic fuel injection control units • Electronic ignition distributor • Electronic spark timing control unit • Alternator pulley and mounting bracket • Igniter • Volt/amp gauge • Starter motor • Starter motor drive • Starter motor solenoid • Wiper motors • Manually operated electrical switches • Horn and horn relay • Electric window motors • Electric mirror motors • Cruise control module • Cruise control actuator • Electric door lock relay and actuator • Electric trunk/tailgate/hatchback actuators • Backup light switch • Brake light switch • Door operated courtesy light switches • Neutral safety switch • Power antenna motor • Rear window defogger unit • Rear window defrost grid • Windshield washer pump • Electric power seat motor • Electric convertible top motor • Electric sunroof motor • Electric headlamp motor • Electronic instrument panel control module • Electronic instrument panel display • Engine wiring harness • Electronic traction control sensors and control module • Electronic suspension air compressor • Factory installed theft alarm system • Factory installed remote keyless entry transmitter/receiver • Inclinometer • Cigarette lighter(s) • Auxiliary power point • Illuminated vanity mirrors • Tachometer • Trip/mileage computer • Headlamp dimmer switch • Map lights • Clock.

BRAKE

Master cylinder • Power brake assist boosters • Combination valve • Backing plate assembly • Brake pedal assembly • Accumulator • Parking brake pedal • Parking brake cable • Parking brake release mechanism • Self adjusters • ABS booster pump • ABS control processor • ABS control sensors • ABS control solenoids • ABS modulator valve • ABS valve and accumulator • Brake calipers • Wheel cylinders • Brake lines and fittings.

SUSPENSION

Wheel bearings • Sway bar and its bushings and linkage • Upper and lower control arms • Control arm shafts and bushings • Upper and lower ball joints • Radius arm and bushing • Stabilizer bar, links and bushings • Strut bar • Spindle and support • Strut bearings and bushings • Air suspension compressor • Suspension control computer • Suspension control solenoids • Height sensor • Mode selector switch.

FUEL SYSTEM

Fuel tank • Fuel pump • Fuel injection pump • Diesel fuel injectors • Gasoline fuel injectors (for electrical failure only) • Accelerator pedal • Fuel pressure regulator • Fuel level sending unit • Accelerator pedal linkage • Fuel pressure sensor • Fuel pump relay • Fuel shutoff control • Fuel tank filler pipe • Metal fuel lines • Fuel gauge • Vacuum pump.

STEERING

Gear housing/rack assembly and their internal components • Control valve and cylinder • Power cylinder assembly • Steering column shaft(s) and their couplings/bearings • Steering knuckle • Power steering pump, pulley, and mounting bracket • Dampener • Pitman arm • Tie rods • Tie rod ends • Idler arm • Drag link • Steering column bearings • Steering wheel • Tilt wheel mechanism • Rear wheel steering control valve and sensor • Rear wheel steering control unit • Rear wheel steering shaft and couplings • Rear wheel steering power cylinder(s) • Rear wheel steering oil pump • Rear wheel steering stepper motor • Rear wheel steering rack assembly.

AIR CONDITIONING

Compressor • Accumulator/drier only in conjunction with compressor replacement • Condenser • Evaporator • Compressor clutch and coil • Compressor pulley and mounting bracket • Expansion valve • Orifice tube • Pressure switches • Idler pulley and bearing • Manual temperature control selector head • Automatic temperature control selector head • Blower motor • Heater control valve • Air ducts • Air registers • Control cables • Power module • Plenum doors • Vacuum motors • Idler pulley tensioner • Heater core.

AUDIO CENTER

Factory installed entertainment chassis modules including: Radio • CD player • Magnetic tape player • Graphic equalizer. (Limited to repair only, not replacement.)

HARDWARE

Ashtrays • Door handles • Door latches • Door locks • Door hinges • Hood latch release mechanism • Hood struts • Hood hinges • Hood torsion bars • Ignition switch lock cylinder • Rear hatch struts • Seat tracks • Deck lid latch/release • Deck lid hinges • Deck lid torsion bars • Power seat transmission • Window crank handles • Window regulators • Wiper motor transmission • Altimeter • Compass • Glove box lock and latch.

Seals and gaskets are included for all Gold Protection Plan covered components. Fluids and filters are included in conjunction with a covered repair.

Silver Protection Plan

ENGINE

Cylinder block • Cylinder head(s) • Turbocharger/supercharger and their internal components and mounts • Timing gears • Timing/balance shaft chain/belt, guides, tensioners, sprockets and cover • Flywheel/flex-plate • Harmonic balancer • Oil pan • Oil pump • Intake manifold • Valve cover(s) • Wastegate • Engine oil pressure gauge • Radiator fan motor • Water pump and pulley • Fan clutch • Fan shroud • Radiator coolant recovery unit • Electric radiator fan motor relay/switch • Electric radiator fan motor sensor • Engine coolant temperature gauge.

TRANSMISSION AND TRANSFER CASE

Transmission and transaxle cases and their internal components and mounts • Torque converter • Vacuum modulator • Transmission oil cooler • Gear shift lever • Transmission shift linkage • Pan • Transfer case and all internal components and mounts.

DRIVE AXLE

Final drive and axle housings and their internal components • Axles • Axle shafts and bearings • Propeller shafts • Hubs • Constant velocity joints • Universal joints • Center bearings • Yokes • Hub bearings • Locking rings.

SUSPENSION

Wheel bearings • Sway bar and its bushings and linkage • Upper and lower control arms • Control arm shafts and bushings • Upper and lower ball joints • Strut bar • Spindle and support.

STEERING

Gear housing/rack assembly and their internal components • Control valve and cylinder • Power cylinder assembly • Steering column shaft(s) and their couplings/bearings • Steering knuckle • Power steering pump, pulley, and mounting bracket • Pitman arm • Idler arm • Drag link • Steering column bearings.

BRAKE

Master cylinder • Power brake assist boosters • Backing plate assembly • Brake pedal assembly • Parking brake pedal • Parking brake cable • Parking brake release mechanism • Self adjusters • Brake lines and fittings.

This brochure is intended to outline the main features of your Major Value Protection Plan for New and Used Vehicles. We may use replacement components of a like kind and quality that may be rebuilt, remanufactured, or used. Refer to the contract for the conditions of coverage, exclusions and your duties during the term of the contract.

***EXCLUSIONS OVERVIEW:** Abuse; misuse; lack of customary maintenance; non-mechanical, electrical, pneumatic, hydraulic components; Normal Maintenance and Service Items. Examples: Batteries, Brake Pads, Shoes/Drums/Rotors, Shocks, Struts, Wiper Blades, etc. Aftermarket equipment. Body Structure and parts, trim, moldings, glass, Telephones; Ultracapacitors; Internet Computer; Telematic Services & Devices; Navigation System; Video Components; Heads-Up Display; Night Vision Systems; Bumpers; Cables; Chassis; Clamps; Fasteners; Convertible Top Assemblies; Exhaust/EGR System; Air Pump and Catalytic Converter; PCV System; Fuel Vapor Recovery System; Hoses; Tubes; Lines and Fittings; Mirrors; Manual Clutch Components; Passenger/Driver Restraint Systems; Seat Components; Suspension Springs and Torsion Bars; Wheels; Tire Pressure Sensors; Fuses; Lights/Bulbs/Lens Assemblies; Audio Speakers; etc. **REFER TO THE AGREEMENT FOR A COMPLETE LIST OF EXCLUSIONS AND CONDITIONS OF COVERAGE.** FL 60049

ELECTRICAL

Alternator • Voltage regulator • Ignition coil • Electronic ignition module • Electronic ignition distributor • Throttle position sensor • Fuel control temperature sensor • Idle control actuator • Manifold vacuum sensor • Crankshaft position sensor • Camshaft position sensor • Alternator pulley and mounting bracket • Igniter • Volt/amp gauge • Starter motor • Starter motor drive • Starter motor solenoid • Wiper motors • Manually operated electrical switches • Horn and horn relay • Electric window motors • Electric mirror motors • Cruise control module • Cruise control actuator • Electric door lock relay and actuator • Electric trunk/tailgate/hatchback actuators • Backup light switch • Brake light switch • Door operated courtesy light switches • Neutral safety switch • Windshield washer pump • Cigarette lighter(s) • Auxiliary power point • Tachometer • Headlamp dimmer switch • Map lights • Clock.

FUEL SYSTEM

Fuel tank • Fuel pump • Accelerator pedal • Fuel pressure regulator • Fuel level sending unit • Accelerator pedal linkage • Fuel pressure sensor • Fuel pump relay • Fuel shutoff control • Fuel tank filler pipe • Metal fuel lines • Fuel gauge.

AIR CONDITIONING

Compressor • Accumulator/drier only in conjunction with compressor replacement • Condenser • Evaporator • Compressor clutch and coil • Compressor pulley and mounting bracket • Expansion valve • Orifice tube • Idler pulley and bearing • Manual temperature control selector head • Blower motor • Heater control valve • Idler pulley tensioner.

Seals and gaskets are included for all Silver Protection Plan covered components. Fluids and filters are included in conjunction with a covered repair.

Bronze Protection Plan

ENGINE

Cylinder block • Cylinder head(s) • Turbocharger/supercharger and their internal components and mounts • Timing gears • Timing/balance shaft chain/belt, guides, tensioners, sprockets and cover • Flywheel/flex-plate • Harmonic balancer • Oil pan • Oil pump • Intake manifold • Valve cover(s) • Wastegate.

TRANSMISSION AND TRANSFER CASE

Transmission and transaxle cases and their internal components and mounts • Torque converter • Vacuum modulator • Transmission oil cooler • Gear shift lever • Transmission shift linkage • Pan • Transfer case and all internal components and mounts.

DRIVE AXLE

Final drive and axle housings and their internal components • Axles • Axle shafts and bearings • Propeller shafts • Hubs • Constant velocity joints • Universal joints • Center bearings • Yokes • Hub bearings • Locking rings

Seals, gaskets, fluids and filters, for all Bronze Protection Plan covered components, are covered only in conjunction with a covered repair.
