Is this a NEW write-up or an UPDATE? Update (11/25/24)

Foster Dog ID: IN910

Foster Dog Name: Stacy

Foster Dog Gender: Female

Coat Color: Black/White

Breed: Boston Terrier

Approximate Age: 7 years old

Approximate Weight: 23 lbs.

Good with other Dogs? Yes

Good with Cats? Unknown, but guessing she would play too rough.

Good with Kids? Yes, but she does jump to get attention.

Crate trained? Yes, but only up to 8 hours.

Housebroken? She is doing great. She doesn't signal though, so she is put out every 4 hours.

Energy level: Moderate – couch potato, lounge in the sun, short walks.

Training: She knows how to come when called and walks well on a leash. She is working on sitting. She does jump on people because she is eager to be petted or be near a person, but she is doing well with calming down.

My Foster is already: spayed, up-to-date on vaccines, and heart worm checked.

MORE INFO: This breeder release is doing very well in foster care. Stacy is what you would call a stage five clinger. She loves being with her people and will follow you from room to room just to be near you. She loves to cuddle and have her belly rubbed. She has a great appetite and does well with other dogs. She enjoys having toys and is really getting the hang of going outside to do all her business.
