

## **Alfie's Story**

Foster dog number-MI-1029

This is Alfie. Alfie is an awesome little guy who had been quite neglected. He's approximately 6 years old and pretty playful and silly.

Alfie gets along with all people, dogs and cats. We are having to work through his fear of going outside and he is getting better every day.

We're told Alfie is Pug/Shih Tzu mix but the vet says she thinks it's closer to pug/Brussels Griffon mix.

Alfie was vaccinated today and had an exam and he did great. Alfie weighs 20 lbs.
