MORE INFO: Daisy is a wonderful girl, she just needs to know she is safe and loved, so it may take some time for her to warm up to a new home she will. She is good with my dogs, she plays with them but she doesn't know how to chase a ball or play with toys. If you try to play with her she play with toys by herself. She likes to go on walks and laying outside in the sun or on the grass. She does get car sick and she does bark quite a bit, but she will stop if you tell her no barking.
