**My Foster is already:** Up-to-date on Vaccines, Heart Worm Checked

**Needs to complete medical care before adoption?** Yes, Mary Jane is scheduled for spaying on Sept. 24, 2025. She will also get her booster vaccines at that time. Also, a dental with extractions.

**Does your foster have any special medical needs?** Mary Jane is being treated for an ear infection.

**More Info:** Mary Jane has been a momma all her life but now she is experiencing retirement. She has 3 brothers in her home and she has a great time playing with all of them. Not up to the morning walks with them but that gives her some alone time. She is a happy girl with a great personality. She will make some family a very nice pet. After coming home from the vet, she did nip 2 people. That has been the only time since she has been with me.
