Dear Neighbor,

Every year, our Walk a Mile in Her Shoes® event has successfully raised financial support for STAR, and awareness about the important role men play in the prevention of violence against women and girls. Our 2020 event was canceled due to the pandemic.

Here's the good news - we found a way to bring it back as safely as possible - outside! We ask that you will join us on Saturday, July 24 at the Cuddy Family Midtown Park, to what is sure to be a fun, uproarious event.

Funds raised from the Walk will support STAR's critical services for survivors of sexual trauma here in Alaska. STAR provides 24/7 support to over 1,000 people each year through our Crisis Line, immediate response, advocacy services, therapy and long term support as well as community prevention and education programs.

Having faced significant funding cuts this year, we need your help in being able to provide care and prevention programs for our community. We hope you can join us.

**HERE COME THE
MEN IN HEELS!**
Let's stomp out
sexual violence.

Here come the men in heels! Their mission?
To stomp out sexual violence by walking a mile in her shoes.

Every 7 hours, another Alaskan is sexually assaulted. The most common age of female victims in Alaska is 15, and for male victims it is age 5. (State of Alaska Department of Public Safety 2019 Uniform Crime Report @ <https://dps.alaska.gov/statewide/r-i/ucr>).

This event calls attention to the fact that sexual violence is widespread and impacts every person in our state. Rape, sexual assault, and sexual harassment harm our community, and statistics show that for too many years, Alaska has had the highest rates of sexual assault in the nation.

STAR is the only agency in Alaska specializing and focusing solely on sexual trauma prevention and response. Whether someone comes forward about a recent trauma or something that happened to them decades earlier, STAR meets them exactly where they are to support them on their healing journey. STAR offers a variety of services that include legal advocacy, court and medical accompaniment, safety planning and emergency assistance (such as emergency relocation, rapid rehousing, protective order application and hearing support), trauma therapy, support groups and art therapy.

With your sponsorship of this event, you can help STAR provide critical services and educational programs. STAR welcomes your support of our services, which reaches over 1,000 people annually.
