PUT YOURSELF IN HER SHOES TM

Since 2001, men, women, and their families around the world have joined award-winning Walk a Mile in Her Shoes®: The International Men's March to Stop Rape, Sexual Assault & Gender Violence. It is a dramatic opportunity to raise awareness in every community about the serious causes, effects, and remediations to men's sexualized violence.

STAR began presenting the Walk in Alaska in 2008 on the University of Alaska Anchorage campus. It has also been held at the 5th Avenue Mall, University Center, Dimond Center, and Cuddy Park. This year we will be back at the Dimond Center Mall where we will be indoors and safe from unpredictable weather conditions.

ABOUT STAR

Since 1978, STAR has been responding to the needs of survivors of sexual assault, while integrating prevention and education programs with a goal of reducing harm to all Alaskans.

All STAR services for Survivors are free of charge.

Our mission is to prevent sexual trauma and provide comprehensive, collaborative crisis intervention, advocacy, and support to victims/survivors, their families, and our communities, with the long term goal of ending sexual violence in Alaska.

If you or someone you know has experienced sexual assault and needs support, we are here 24/7/365.

EVENT DETAILS

Saturday, September 21, 2024

To expand our reach and participation, we have moved the Walk to the month of September. We hope this will make the event more convenient for construction workers, outdoor enthusiasts and fisherfolk.

Dimond Center Mall

With over 50 stores, there's something for everyone at Alaska's favorite shopping center. After the Walk, we invite you to cruise the mall for a bite to eat, do some back to school, gear up for winter, or start your holiday shopping!

Timeframe: 11:00 a.m. - 1:30 p.m.

Check-in and registration will begin at 11:00 a.m., Opening Ceremony at 11:45, and the Walk will kick off at noon. Awards and closing remarks will take place at 1:00 p.m.

Use of Funds

STAR provides crisis intervention, medical and court accompaniment and ongoing support services for individuals in our community who are impacted by sexual violence, while we strive to reduce sexual assault and abuse in Alaska through Prevention and Education Programs.

EVENT GOALS

✓ Raise \$20,000

For STAR's crisis response services, ongoing support for our clients, and prevention & education programs.

✓ Engage new participants

We aim to make this event bigger and better every year by recruiting more walkers to help raise awareness about sexual assault and to support survivors. It is also an opportunity to educate others about the importance of consent, healthy relationships, and bystander intervention.

✓ Strengthen Community Relationships

We are all in this together! By engaging more of our neighbors and businesses, we can do even more to provide support and resources, hold perpetrators accountable, and create a culture of consent and respect. This can lead to a safer, healthier, and more equitable community for everyone.
