BOARD MEMBER SINCE 2021

Skye Nevada is a lifelong, third generation Alaskan who has dedicated her time to promoting and increasing involvement within the community. As a graduate of the University of Alaska Anchorage, College of Business and Public Policy, she has cemented the belief that involvement at any level, whether at home, school, or in the workplace, leads to positive growth and development through authentic and open relationships. As the HR Business Partner for Parker Wellbore, Skye takes every opportunity to connect with her remote coworkers in order to foster understanding and trust. Skye serves as the Chair for the Young Professionals Group through the Anchorage Chamber of Commerce and has been an active member of many organizations and charity events such as the UAA Alumni Association Board of Directors, the Alaska Chapter of the American Cancer Society, the annual Mayor's Charity Ball, and many more.

When not encouraging others to be active community members, Skye finds encouragement for herself out on the water while kayaking and fishing with family and friends.
