BOARD MEMBER SINCE 2021

Leah was born and raised in Washington state, and first fell in love with Alaska during a summer job in Alaska in 2011. After graduating with her Bachelor of Arts in Economics from Western Washington University in 2014, she moved to Anchorage full time to pursue a career in the Alaska tourism industry. She earned her MBA from University of Alaska Fairbanks in 2019, and in 2020 she made the move from travel planning to financial planning and joined the team at APCM Wealth Management for Individuals. As an Associate Financial Advisor, she is committed to her fiduciary duty and revels in the opportunity to connect with clients and empower them to meet their financial goals. When she isn't working towards her CFP designation, she loves to work on knitting projects, cook dinner for friends, and get outside to enjoy all that Anchorage has to offer.
