

How you can join: Maximize your contribution by joining our Constellation Club. Being a part of this giving society means you can ensure that when someone needs support, STAR can provide it. Your monthly contribution will help us provide the best possible services that meet the needs of survivors and their loved ones, and will allow us to continue our prevention, education and advocacy efforts. Some donors prefer to give smaller monthly donations over a longer period of time, rather than a single lump sum. Not only can this be easier for personal budgeting, but it also allows you to contribute more to STAR than you may have thought possible. For example, a gift of \$10 per month might be easier to manage than a one-time gift of \$100—and over the course of a year you’ve increased your overall donation to STAR by 20%. Make a secure, recurring gift online: To make a monthly donation, select the monthly giving box on our donate page. Recurring contributions may not impact your monthly budget, and may not seem like much in the beginning, but over time they make a meaningful and lasting difference.
