

A GIFT OF EDUCATION  
has been sent in your honor

***CHILDREN UP***

Children Up provides full scholarships for needy students in Northern Uganda with the aptitude and work ethic to succeed. This small non-profit was started by Elmhurst resident, Charles Laliberte to give hope and empowerment through post-primary education. Since 2008, this charity has provided qualified students with tuition, supplies, and transportation to and from boarding schools. The number of sponsored students is dependent on adequate funds to support six years of education. With careful selection criteria and a Ugandan mentoring team, the graduation rate is greater than 85%. A volunteer Board means donations directly benefit students and programs.

Visit [www.childrenup.org](http://www.childrenup.org) to see how helping one child at a time can change our world.

Give \$10 to help transport a student to and from boarding school
