

A GIFT OF SOCIAL SERVICES TO IMMIGRANTS
has been sent in your honor

ERIE NEIGHBORHOOD HOUSE

This nonprofit in Chicago provides programming and services to communities on the West Side. Erie Neighborhood House first opened in 1870 and has been innovating to meet the evolving needs of legal immigrants and low-income families ever since. Recently Erie House has met migrants bused from Texas to Chicago to greet them with respect and to collaborate with community partners to meet their basic needs.

Their services include:

- Legal assistance with naturalization and U.S. citizenship and keeping families together
- Early Childhood and After-School Programs
- Adult Education including classes on parenting, nutrition, and technology
- Mental health counseling including for survivors of domestic violence

Erie House believes in the importance of diversity, equity, access, and inclusion.
