March 19, 2021

On behalf of the social workers across the great State of Oklahoma, and the NASW-Oklahoma Board of Directors, we extend our appreciation for your attendance to the NASW-OK 46th State Conference. This event, held virtually, on March 10, 12, 13, and 19, 2021 brought together attendees and presenters from over 23 states and we are very thankful you joined us.

Because of the generosity of social workers across Oklahoma, and the support of your social work program, we were able to provide complete access at no costs to all social work students in Oklahoma's schools of social work. We are thankful for others recognizing the importance of social work students.

We ask for your help in extending our appreciation to your school for encouraging student's participation in our State Conference.

In the future, we hope you continue to seek the best opportunities for professional development after graduation and continue to be a part of the largest professional social work organization in Oklahoma, NASW-OK.

Sincerely,

Dr. Deborah Johnson, MSW, LMSW
