WE ARE NOT Powerless!

1 form of Resistance is to regularly phone your Elected Representatives.

Senator Ashley Moody: 202 224 3041

Congressman Cory Mills: 202 225 4035

Plan a 30 second – 1 minute script on 1 issue.

Ask if there is a staff member responsible for that issue. Give your name and zip code.

Here's an example of a script:

"Hi, my name is from (City + Zip Code).

I'm calling to express my outrage over Elon Musk's unlawful and unconstitutional takeover of the federal government, and I ask that (Rep/Sen name) ...

Forcefully speak out against an unelected billionaire having control over our government's data, personnel and payment systems.

Support legal challenges to Musk's illegal activities".

If speaking with a person is challenging for you, ring after hours and leave a voicemail message.
