

VOLUNTEER

Spotlight

What volunteer position do you hold with Open Door

- We are both tutors for Math.

How long have you been involved with Open Door

- Our involvement is very new, starting in January after finding out about Open Door from our church.

Reflect on a moment or event with Open Door that is memorable to you

- For Janie: Helping with the sign-in process showed the number of people that need Open Door and also taught her how effective the program is in meeting the needs of that learning population.
- For Dean: The best moment has been when he made a real connection with the student he was tutoring, that played out in increased interest in classes and better study habits.

Why would you recommend someone to Volunteer with Open Door

- Volunteering with Open Door provides many opportunities for helping someone else since there are so many people who desire to further their education and just need a little support in the process.

Give three words that describe Open door

- Mission, Understanding, Patient.
