How many classes have you taken with Open Door?

- I have taken 5 classes with Open Door: Math, Reading, Writing, Science and Social Studies.

Reflect on a moment or event with Open Door that is memorable to you

- A moment I will never forget is how all the teachers congratulate you when you pass a test they are really nice people who are so happy to see you grow and become someone better. The help I got from Barbara always will be stuck in my heart, I didn't know what I wanted to do after I got my diploma but she gave me many options to which all are good for me.

How has Open Door helped you?

- Open Door has helped me in many ways. It gave me another opportunity to do what's best for my future self, getting an equivalent high school diploma. I've also met some amazing people who I will never forget, that in some way inspired me to keep on studying.

What would you recommend to a student who is new to Open Door?

- Go to every class. It might be hard trying to push yourself to go but trust me it's worth it, and in the end you're going to see results. Live the experience.
