

We apologize for anything that you as a customer are dissatisfied with. We take an inventory at the beginning of the season and some lilies will be limited so we will not be able to supply them to you as ordered.

Certain items listed as part of our inventory herein may be discontinued or may become unavailable due to sales. Not all items listed herein are kept in stock for immediate purchase. We strive to keep all daylily names correct and true to name but at times things do happen that causes this not to be so. If you experience this please bring this to our attention. We thank you for being our customer and appreciate you.
