

Chrissi Culver

PWC Education & Career Development pwc.inc.educareerdev@gmail.com

Chrissi Culver is a controller at Fort Worth Center (ZFW), one of the Education and Career Development Managers for PWC, and the President of the Women in Aviation (WAI) North Texas Chapter. She holds a private pilot certificate and B.S. in Air Traffic Management. She is currently pursuing her M.S. in Aviation Safety. Chrissi hopes to inspire the next generation of females in aviation through her volunteer work with PWC and WAI.
