

## *Robin Rush*

### *PWC Parliamentarian*

Since 2006, Ms. Rush is the Air Traffic Manager at Torrance Airport Traffic Control Tower (ATCT) in Torrance, CA. Ms. Rush has also served the Air Traffic Organization (ATO) in detail positions. From March 2018 to August 2019, she served the ATO's Management Services team, Technical Labor, AJG-L, as an Executive Technical Representative. From October 2015 to October 2016, she worked as an Air Traffic Control Specialist in ATO's Mission Support, Procedures and Standards Group, AJV-82. From March 2010 to October 2011, she worked in the ATO Diversity Office, AJG-9. In 2004, Ms. Rush became the Operations Supervisor at Torrance ATCT. In 2000, as an Air Traffic Control Specialist, she was promoted to John Wayne ATCT from Santa Monica ATCT, where she began her Federal Aviation Administration (FAA) career in 1996.
