

## Judy Noble

### *Historian*

Judy has been a member of PWC since 1990. She served as District Representative for two Eastern Region Directors (98-02), organized five (5) PWC one-day training seminars at Millville, NJ AFSS (attendees from NYC area facilities, DC Metro area facilities, Atlantic City and Philadelphia), and assisted in the planning and conduct of six (6) PWC National Training Conferences. In addition to these activities, Judy served the organization at the national level in the following positions:

- Historian (6/18 – Present)
- Elections Chair (6/10-6/15 & 06/99-6/01)
- Eastern Region Director (6/07-6/09 & 6/03-6/05)
- Secretary (6/05-6/06)
- Public Affairs Program Manager (6/01-6/03)
- Constitution & By-laws Program Manager (6/97-6/99)
- Parliamentarian (09/95-06/97)
- Instructor for PWC “Expanding Your Influence” workshop. This course was developed by PWC in consultation with the former FAA Center for Management Development (CMD). (93-95)

Judy has 43 years’ experience in air traffic operations and telecommunications services for the FAA. Her work history includes:

- Contract Employee to FAA Technical Operations. Instructional Design Analyst (5/09-Present): The job includes analyzing, designing, developing, implementing, and evaluating training deliveries for NAS and Security Enterprise Organization (NASEO) and Enterprise Data Services (EDS) personnel.
- Consultant with Washington Consulting Group to Lockheed Martin Flight Services (LMFS). Served as Training Specialist and supported Quality Assurance and Safety programs. (1/07-5/09)
- FAA – GS2152 Air Traffic Control Specialist
- Snowe Program Coordinator (11/05-12/06): Implemented and managed the program that resulted from the enactment of Public Law 109-115 (aka, the Snowe Amendment). FAA Supervisor of Record for 99 employees assigned to 44 contractor operated facilities throughout the CONUS. Managed retirement processing, time and attendance entries, personnel issues, and accomplished required coordination with LMFS management.
- AFSS Competitive Sourcing Program (07/04-11/05): Detail assignment to the FAA Office of Competitive Sourcing as the Flight Services Subject Matter Expert for Operations.
- Operations Branch, Air Traffic Division, Eastern Regional Office: Operations Specialist (8/01-4/03) / Program Coordinator (4/03-7/04)
- Supervisory Air Traffic Control Specialist, Millville AFSS (07/93 to 08/01)
- Staff Support, Millville, NJ AFSS: Quality Assurance Specialist (4/89-10/92), Hub Specialist (10/92-7/93)
- Air Traffic Control Specialist (07/76 to 04/89): Duties performed at Deming, NM FSS; Albuquerque, NM FSS; Millville, NJ FSS & AFSS
