## Mission Statement

To worship God, revealed to us as Creator, as Jesus the Christ, & as the Holy Spirit, and experience God's presence within the church family, nurturing each other through a comprehensive parish program while affirming each other's individual ministries and responding to Jesus' continuing call to minister to others.

# 2025 VESTRY

# Expecting the Impossible

I'm writing this mid-way through Holy Week, knowing you will be reading it early in Eastertide. Easter is the 50-day season of the year, from the Great Vigil through the day of Pentecost, when the church especially remembers that Jesus Christ's resurrection is the foundation of our faith. This is the season when we proclaim, "Alleluia! Christ is risen! The Lord is risen indeed! Alleluia!"

With those words, Christians remind ourselves and each other that, as the apostle Paul wrote to his siblings in faith in Corinth, "If for this life only we have hoped in Christ, we are of all people most to be pitied. But in fact Christ has been raised from the dead, the first fruits of those who have died" (1 Corinthians 15:19-26; from the Easter Sunday readings).

In Jesus Christ, God has vanquished death. This doesn't only mean that you and I will live again with God and other people after our earthly life has ended. It also means that what look like dead ends in this life can, in fact, open into new pathways, by God's grace.

My faith in the resurrection is what allows me to pray for peace and justice at home and abroad, even though evidence of human cruelty and our propensity to violence piles up every day.

My faith in the resurrection is what spurs me to pray for people in power, at home and abroad, with whose policies and practices I disagree. I pray for them to know God loves them, and for God to guide them. And when I engage in civic action, writing and calling my representatives, attending vigils and rallies, giving money to non-profit

organizations, I ask for God's help to do so in a prayerful spirit, with the goal that God's love be revealed more fully in the world.

My faith in the resurrection reminds me to engage in prayerful self-examination, too, noticing the (many) ways I fall short of Jesus' call to love God and my neighbors, and asking God's help to live more faithfully. Since God called Jesus out of the tomb, God can call me, too, into new beginnings.

It's understandable to be frightened in the face of uncertainty. It's understandable to be angry in the face of cruelty. It's natural to grieve in the wake of death, whether the death is of a person, a fondly-held illusion, or a dearly-loved principle.

But our faith proclaims that fear, anger, and grief are not the end of our story. Death is not the end of our story. God is always creating new life, always finding new ways to free God's beloved children from all forms of bondage. God continues to do impossibly good things for the benefit of the world God so loves. And Easter reminds you and me to expect the impossible, to seek it out, and to help uncover it.

Alleluia, always,

*Rhonda*

## THE (brief) EASTER EDITION

### *Encounters with the resurrected Jesus*

#### SUNDAYS 27 APRIL AND 4 MAY

.....

Our Rector and Friends Bible Study for the Easter season will be brief for various scheduling reasons (including some vacation time Rhonda will take in May). Our discussion promises to be rich, however, so please plan to join in. We meet in the auditorium from 9:30 to 10:15.

In these two sessions, we will study the gospel passage assigned for the day. Each of them presents an encounter between the resurrected Jesus and his disciples. Each is mysterious in its own way, and each offers reassurance and a call to us, his disciples two thousand years later. Come learn from the Bible, your siblings in faith, and your own experiences.

This Bible study is suitable for adults and teens.

# JULIE SWANNER

FROM THE DESK OF OUR SENIOR WARDEN

[julieswanner@yahoo.com](mailto:julieswanner@yahoo.com)

We have recently been blessed with several generous and unexpected gifts, as Sid notes elsewhere in this newsletter. These gifts are an outpouring of support that reflects the deep affection so many of you have for Holy Comforter, and they arrive at a moment when our vestry is actively engaged in discerning our future, with a strong focus on stewardship. Beginning with dedicated time in our May and June meetings, we are entering a strategic planning phase to help us prioritize projects and programs with care, purpose, and clarity.

We've heard excitement around many worthy endeavors: improving security and sound systems, supporting youth and children's ministries, enhancing the beauty and accessibility of the Grove, and deepening ministry and outreach within the church and broader communities. Each reflects the vibrant life of this parish and our shared desire to grow and serve. At the heart of this discernment is stewardship—not just as financial giving, but as a broad commitment to nurturing our church home, honoring our history, and preparing wisely for what's next.

As The Episcopal Church reminds us, stewardship is about living from a perspective of abundance. It's about time, talents, relationships, and shared responsibility. The vestry's focus on stewardship is a commitment to sustainable growth, faithful service, and thoughtful planning. We look forward to sharing more in the months ahead—and to listening, learning, and discerning with all of you.

# Financial Report AS OF 3/31/25

For March, we report revenues of \$34,445, of which \$30,104 came from parishioner pledges. Disbursements were \$45,652, resulting in a deficit of \$11,207 for the month. The accumulated deficit for the year to date is \$8,170.

I have wrestled with how to best present our financial situation since I began writing these updates. The numbers in the paragraph above do not read very well, but they don't really give a clear picture of our current financial situation. We have received prepaid pledges of over \$73,000 that have not been recorded as income yet; this is because of our practice of pro rating prepaids over twelve months. Also, March disbursements included several larger, nonrecurring expenses, including HVAC repairs, elevator repairs, replacing sanctuary light bulbs (those very high ones), and installation of a dedicated outlet for our new copier. Thus, the month of March is not necessarily representative of what we expect for the full year.

At month end we held \$245,000 in interest bearing accounts; this total is above and beyond the cash in our operating account. Our reserve accounts are funded at 116.97%. So we currently enjoy a comfortable financial position. We have recently received two very generous gifts, one of which arrived after March 31 and is not included in this month's totals. One gift is from a current parishioner who wishes to remain anonymous, and the other was part of the final distribution of assets from the estates of Thomas and Jean Hogen. The Hogens were residents of Twin Lakes, having moved there in retirement.

The Vestry will deliberate on how to best use these magnificent gifts in ways that honor our benefactors and best serve Holy Comforter. You will be hearing more in the months ahead. It's nice to be able to write a positive financial report; there have been times in the recent past when things were not quite so upbeat. The arrival of Rhonda Lee has certainly contributed to our recent successes, but momentum was building even before her arrival. We are grateful and pray for continuing progress.

We recognize there are some emerging signs of a slowing economy. We don't pretend to know what is ahead, or how we might be affected, but we will be watching closely. The current Vestry is a thoughtful and cautious group, committed to being good stewards of the resources entrusted to us.

The ECW met on Monday the 14th for the last program meeting of this session. We heard a wonderful presentation by Sylvia Crews on the history and ongoing work of the Sunday Breakfast Ministry by the former members of Davis St. Methodist Church that now takes place in our Great Hall. Most weeks 100 good breakfasts are prepared and given out to needy folks in our neighborhood. Sylvia thanked us for the support of Holy Comforter both financially and by volunteers. ***Early Riser Alert- More Volunteers are needed, no experience required!***

**Thanks to Susan Klopman our traditional ECW spring luncheon will be held this year at Twin Lakes in the Suppony Lounge. It will be our traditional salad and dessert menu, please bring either of these options to share.**

We look forward to joining our sisters at Twin Lakes to see old friends and make new ones. We will begin to gather at 11:00 and eat at 11:30. Enter Twin Lakes from the gate off Church Street and tell the guard why you are there. They will give you directions to the new section for parking and where to go. We look forward to seeing you all and welcome new members.

EPISCOPAL CHURCH WOMEN

Holy Comforter is looking to expand our team of nursery workers. Our current workers are skilled and faithful, and we need more! Time commitments could vary from a few Sundays a month to serving as a substitute from time to time. We're open to talking about the possibilities.

Workers must be at least 18 years old, and a background check and (paid) Safe Church training are required. We currently pay \$15.00 per hour.

If you might be interested, or know someone who would, please contact Rhonda. ([rlee@hc-b.org](mailto:rlee@hc-b.org))

*Thank you!*

Dear **Holy Comforter Family**,

In March of 2023, Father George shared with all of you the devastating news our family was struggling with: our daughter was in severe pre-eclampsia, and both she and her unborn child were in grave danger. The prayers said in daily service and in the community by all of you were heard and answered. The night before Keyon was born, my poor exhausted Mary had finally fallen asleep, and as I sat there in the darkened quiet room, I suddenly felt the air in the hospital room change. A warm light wind swirled through the room, and I felt the presence of the Holy Spirit like I had never experienced it before. Love and peace filled the room, and I knew everything was going to be ok.

Since Keyon arrived, loudly protesting his early entrance to the world, he has filled our world with joy and laughter. Larry and I love being able to bring him to church each Sunday, where it is so heart-warming to see how all of our church family has watched and followed his growth with happiness.

**On Sunday, May 18, 2025 we will share another milestone with all of you, as KEYON will be baptized.**

We would like to invite you to share in a small celebration after the 10:30 service, with cake and refreshments in the **PARLOR**. Just our way of saying "Thank You - All!" for the love and support you have shown our family since we joined you in 2013, and especially for the care you have shown our special boy!

*Larry and Colleen Stevens*

# THANK YOU

Susan Ryan and I would like to say a huge Thank You for all the Holy Comforter parishioners showing their love and support for Gregg's reception. He loved our church and all of you showed his family how much we love him. I truly believe he was looking down smiling BIG at all of us.

## Calling All Cookie Bakers!

LEAF stands for Lutherans, Episcopalians, and Friends, and is part of the campus ministry at Elon. At the end of each semester, LEAF students collect home-made cookies and distribute them, along with words of encouragement for exams. In order to do that, we need contributions of cookies and/or uncooked cookie dough (such as Pillsbury rolls or tubs). Everything must be at the Numen Lumen Pavilion by noon on Monday, May 12. I am happy to pick up your dough or cookies on Thursday, May 8 or the evening of Sunday, May 11 (I will be out of town over the weekend). Please call or message me at 336-260-6811 or email me at [pysteboe@gmail.com](mailto:pysteboe@gmail.com) if you can contribute. The LEAF students are so grateful and it's a great service to provide to them! Thanks so much for helping with this ministry!

# Newlin Partnership News Update

## **Volunteers welcomed into ESL/ML classes this spring**

For 13 years the Newlin Partnership has been evolving. From the beginning the main focus has been on young readers learning the important phonics of reading. Hundreds of Newlin Elementary students have benefited greatly from the active involvement of those who volunteer as tutors and those who volunteer as listeners, encouraging the children to practice their new skills and become better readers.

34% of Newlin students are learning to read, write and speak in a second language - English. After initial planning last fall, two English as a Second Language (ESL)/Multilingual (ML) teachers, Ms. Taylor and Ms. Jones, welcomed two Newlin Partnership volunteers into their multi-lingual classrooms this March to observe how their students learn to read, write and speak English.

**ESL/ML TEACHER, BARBARA TAYLOR, STANDS BETWEEN VOLUNTEERS PAM BRUMBAUGH & CAROL THORNELL**

Children differ in how they learn. The volunteers also sought to increase their understanding of the variety of elements which impact student learning in an English-speaking environment.

With the help of Ms Taylor and Ms Jones, these volunteers seek to develop additional approaches to supplement the important phonics approach to ensure that all students have every opportunity to learn to read as well as learn how to learn.

**CAROL THORNELL, BARBARA TAYLOR & PAM BRUMBAUGH IN ESL/ML CLASSROOM WITH THEIR STUDENTS**

As always, you are invited to join us in any of these volunteer efforts and we appreciate your support of the Newlin Partnership Newlin Literacy Project!
