## **WELCOME TO ALL NEWCOMERS AND VISITORS**

Please complete the information card and place it in the offering plate or hand it to one of the ushers.

## **WE, THE PEOPLE OF HOLY COMFORTER**

Though very diverse politically and socially, care for each other and care deeply for how our faith is manifested in the community. We believe all people are equal in God's hand. Our nurturing congregation has an appreciation for diverse perspectives and opinions. We grow through a continually evolving and questioning discussion regarding our faith, God, and society. We welcome all, without reservation, into our Christian body to be part of a loving and sharing family.

## **WE CARE**

Please call the church office at 336-227-4251 if you or someone you know needs visitation, prayers or other assistance because of illness or inability to attend worship service.

## **MISSION STATEMENT**

To worship God, revealed to us as Creator, as Jesus the Christ, & as the Holy Spirit, and experience God's presence within the church family, nurturing each other through a comprehensive parish program while affirming each other's individual ministries and responding to Jesus' continuing call to minister to others.

# FINANCIAL REPORT FOR APRIL 2024

As of the end of April, we had accumulated a balance of just over \$118,000 in our operating account. Once we have a new rector, we will begin to draw against that accumulated cash, as our anticipated expense for the rector's compensation package will put us in a negative cash flow situation if our income and existing expenses remain unchanged. The Vestry is working to close that eventual cash flow gap; we expect to be able to provide greater clarity by the end of the summer.

For the year through April 30th, we have received \$163,249 in pledges, gifts, and investment income. Expenses for the period totaled \$133,803, resulting in a year-to-date operating surplus of \$29,446. Please note that our operating account does not reflect various activities that are intended to be self-funding (Newlin Partnership, The Learning Center, and Flower Guild, for example).

This is the first year we have had access to funds from the General Endowment and the Cecil and Edwin Gant maintenance fund. Distributions from these funds are almost \$21,000 for 2024 and will be booked in May. The distribution rate is determined by the Endowment Board; this year they authorized distributions of up to three percent of the three-year average fund value. We will almost certainly rely on this income source over the next few years as we continue to recover from the Covid induced financial disruption of a few years ago.

Gifts are running ahead of expectations, for which we are grateful. The increased attendance and participation that we've observed recently gives us hope that this trend will continue. The direction is positive, and we intend to do what we can to keep it that way.

Please let me know of any questions or concerns.

NATIONAL  
**GUN VIOLENCE**  
AWARENESS MONTH

JUNE

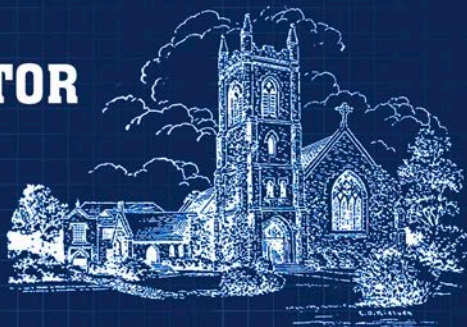

As we wrap up our Sunday Bible study for the season, we reflect on the enriching discussions and the deepening of our faith that we have experienced together. Our Women's Ministry and Men's Breakfast Group have both been vibrant and supportive communities, fostering spiritual growth and fellowship. Although our gatherings are coming to a temporary close, rest assured that we will return in the fall with renewed energy and new opportunities to connect and grow in our faith. Until then, let's carry the lessons we've learned into our daily lives, and look forward to reuniting in a few short months.

**Your parish administrator will be out of the office for two weeks due to surgery, but rest assured, I will be back with you soon. I extend my heartfelt thanks to the dedicated volunteers who are graciously stepping in to manage the office during my absence. For any communication with me during this time, please use email. Your understanding and prayers for my swift recovery are greatly appreciated.**

Once again, we are offering easy disposal of your documents with secure shredding services to our parishioners. Shredding is a safe and secure way to prevent valuable information from getting in the wrong hands.

Our shred event is intended to securely destroy paper documents; however, you do not need to remove staples, paperclips, or folders from your documents. Non-paper items such as batteries and electronics are not permitted because they may damage the shred truck, including causing a fire. Shred days are for personal documents only - no business or commercial shredding.

Please call or email for an appointment to drop off your boxes or trash bags of paper documents to be shredded. Appointments can be scheduled for Monday, Wednesday, or Friday 10am - 3pm each week, until July 5th. Please donate \$8 per box or bag, or whatever amount you feel led to give. Donation checks can be written out to Holy Comforter Church with "Shred Day" designated on the memo line. Your documents will be securely stored in a locked storage room until the shred truck arrives to process them on a scheduled date later in July.

Please contact Julia Buffington at [jbuffington@hc-b.org](mailto:jbuffington@hc-b.org), (336) 227-4251, to schedule your appointment or if you have questions regarding this project.

After catching up and sharing a delicious salad and dessert luncheon on May 13 the members of ECW heard the report from the Chicken Pie Sale and began to consider how to best spend the funds in the treasury. The pies sale provided \$1619 in profit for a final balance of \$2472 in our account. The funds earned or donated by the members support both parish needs and some of those in the community. Since Sept. we have provided Christmas gifts to the staff, memorial gifts to altar guild in memory of members who have died, \$500 to the Sunday Morning Breakfast ministry, \$500 to the Newlin backpack program, gifts to the Caring Kitchen for holiday meals, \$50 for stamps for cards to members to remember a birthday, an illness or grief.

We discussed some of the program plans for the 24-25 season and decided to focus on community groups such as Allied Churches, Benevolence Farm and Women's Resource Center in the fall. Last winter we heard an interesting presentation on Samaritans Purse and decided to make information available for our parishioners who want to take part in the Christmas Child program. We will provide the shipping cost for the boxes that are filled by our folks. We also plan to restart the Chrismon workshops in Sept. for those interested in making some for our tree at Advent. St Martha's Guild of knitters is another group with a very special focus we hope to restart. Keep these plans in mind when you're thinking about how to spend your time.

In addition, we will have some fun programs with Christmas Carols at our lunch in December, another program about the Outer Banks, a look at some of the treasures we have in the church that are not generally known as we continue to learn the depth of knowledge and talent that our parishioners have.

**Plan to join us beginning in Sept. on the Second Monday of the month at 10:00 in the small dining room.**

**We love to see new faces.**

# END OF A GREAT YEAR LETTER TO THE NEWLIN PARTNERSHIP FROM PRINCIPAL WILL PRICE

I am Will Price, principal of Newlin Elementary School. It is hard to believe I am about to finish my first year at Newlin; the time has flown by! I am still in shock that I have the opportunity to work with our students, staff, and all of you with the Newlin Partnership. This year has provided me with so many learning opportunities and I am excited to start year two.

Through all of our hard work, we are building something special. Our teachers have made coming to school fun, and you can see genuine excitement on every child's face each morning. This year alone, we have increased engagement with activities like our Wild About Reading and Science Exhibition Night events. Our newly formed Parent Teacher Organization will be hosting our first event on May 31st, and we believe this event, and all future ones, could increase the capacity of our community, and in turn, our students' opportunities for success.

I am incredibly proud of our students and all of their hard work. Our students have experienced growth and are becoming the best

versions of themselves. As a current low performing school, I feel confident that the end-of-year scores will begin to reflect our progress and improvement. Our students will continue to grow, and we will see all of our efforts lead to success.

Everything Newlin has accomplished this year is because of the efforts of a great number of people. We have a wonderful community of teachers, parents, and supporters. The Newlin Partnership, alone, is responsible for hours and hours of student support. We literally couldn't do what we do without all of your help. I look forward to many more years in this partnership and all that we can accomplish together. Our theme this year, "Newlin Wildcats are ALL IN and READY" is something we have lived on a daily basis. We have been and will continue to be ALL IN for our students.

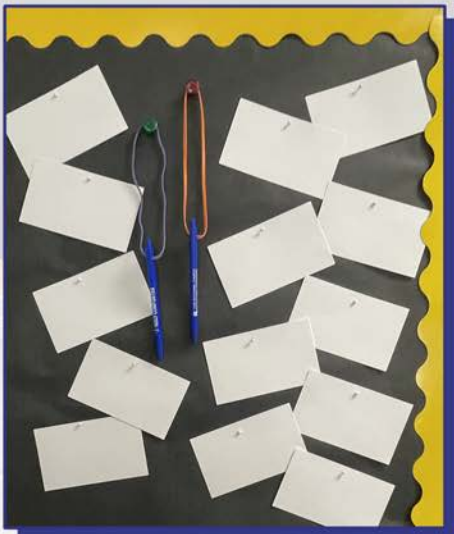

# transparency

**This past year the Vestry has committed to transparency. We're asking the parishioners to join us in this transparency.**

The bulletin board in the hall by the rector's office is prepared for all parishioners and newcomers to interact, to be transparent with how they see their church now and in the future.

# A WORD ABOUT **VOTIVE CANDLES** IN THE CHURCH

The custom of lighting candles when worshiping goes back thousands of years and is one that remains important in many faiths around the world. In some churches there is a votive stand for worshipers to use when offering private prayers in the nave.

The lit candle symbolizes that we are coming to God in prayer or praise and that our prayer continues even when we have turned to other things. In Holy Comforter our votive stand is in the back corner of the nave and is prepared with tea lights in votive cups and lighter sticks to use.

Each candle will burn for about 4 hours and, if possible, the candle is allowed to burn until it is used up. Our stand is always available and offers a little space for worshipers to have a private moment with our Lord no matter what is going on around them.
