Mindy Robinson began her position as Administrative Director of the Newlin Partnership in April 2023. She previously worked at Gardner-Webb University for 12 years, in various aspects of Campus Ministries and Community Outreach.

Mindy is also a two-time graduate of Gardner-Webb, with her BA in Religious Studies and her MDiv in Intercultural Studies. She is a pastor's wife of 10 years and a mom to three tiny humans: Shay (4), Ary (3) and Declan (7months). In her spare time (which is rare!), she loves going on adventures with her 3 dogs in the great outdoors, reading anything she can get her hands on, and baking anything with sugar in it!
