Scuba Classes:

1.877.SCUBA.USA has been serving NJ's scuba divers since 1996.

Scuba Diving is not typical of a general business which are reflected in some of our store policies.

There are NO REFUNDS on class payments or reservations. Classes can be transferred to another person if you decide not to enroll in a class. However, once you do enroll in a class, we require at least 10 days notice to transfer to another class/date. There may be a \$25 transfer fee as long as we have at least a 10 day notice.

Any delay of over 30 days to complete your Open Water Certification dives requires a pool refresher to maintain your skill level. If you complete a scuba class, but don't certify within six months, you will be required to complete some academic & pool training to bring your diving skills up to standards. See the information below for the cost of this make up! If it has been 12 months or more, you will be required to complete the class again.

If a student misses a class or pool session for any reason, you must attend a make-up session prior to the next class/pool meeting. This session is \$25 per person for a class or pool make-up.

Students are responsible for acquiring all materials and completing all chapters and completing all necessary reviews prior to coming to class, per the course description. The course description can be obtained at 1.877.SCUBA.USA, or on the web at www.1877scubausa.com

Scuba Diving is an in-water activity. It is required that all participants have moderate swimming ability and be comfortable in the water.

For your safety and ours, 1.877.SCUBA.USA reserves the right to inspect all equipment being used in the pool or during open water dives PRIOR to starting any classes. At the sole discretion of 1.877.SCUBA.USA, any equipment not deemed satisfactory will not be allowed to be used.

I understand that by not having equipment checked prior to the pool sessions or dives I may be turned away and required to retake the session at an additional fee. Waiver for for students using there own equipment is required.

Students are responsible for having all medical forms and liability waivers completed prior to coming to their first class. The necessary forms for your class sign on info can be obtained at 1.877.SCUBA.USA or on the meetup calendar posting

Students who arrive at class without having completed the appropriate coursework, and completed their medical forms and liability releases may be required to re-enroll in a new class. The re-enrollment fee is \$50 for all courses except Open Water Class & and Pool, for which the fee is \$100. Students who come to class unprepared and are rescheduled and will not be eligible to receive a refund..
