

West Scioto Area Commission

YOUR PRESENCE IS URGENTLY NEEDED

RTMC OPEN HOUSE

When: October 9, 2023

Time: 5:30 to 7:00pm

**Where: Franklin County Engineer West Maintenance Facility
4444 Fisher Rd, Columbus, OH**

Beginning in 2017, the WSAC began requesting improvements for the Trabue Road/Renner Rd/McKinley Ave Corridor area due to the increase of new developments in our area. Thanks to the tremendous input from residents on the 2021 Survey the City did set aside funds for a study and this meeting is the result.

Thank you for getting us this far; but we need your continued support by your attendance at this meeting which will help us demonstrate to the City the need for this study in our area.

This is an open house style of meeting starting at 5:30pm and provides the community the opportunity to learn more about the draft improvements for the corridor and provide feedback to the City and the design team. There will be display boards, project prioritization rankings and comment cards and you can fill-out in

person only.

Hope to see you at the open house on October 9, 2023.
