

WSAC Communications Committee Meeting

September 13, 2021

Present: Commissioner Cabral, Jessica Dyszel

The Commission is going to buy a recorder for full commission meetings, to facilitate the transcription of meeting minutes. This should help with more timely minutes being available to the public.

Updates needed to the website: insert meeting rules of decorum and meeting locations on the front page. Jess will figure that out and let Rita know how to do it. City webpage has been updated to reflect the in person meeting locations instead of virtual meetings.

Next meeting is October 25th, 2021 7pm. The Quarry Co. Bar and Grill 3582 Trabue Road. Meeting location changed to Minelli's on Wilson Rd.
