

Communication meeting

6.15.2018

Meeting called to Order by Rita Cabral. Hari Ruiz and Jessica Dyszel were also in attendance. Jaime Grinch was absent.

Name plates for commissioners. Going to put off the purchase of plates until the budget is refreshed. Temporary name signs will be used.

Directory of people including committee members for commissioners and committee members. Email and phone numbers and positions.

Election Board came up with a description of the committees to enable teaching students about involvement on committees. B&E wants the commission to review and input. Will then be posted to the website as part of volunteer information.

Student binder will include some information on zoning from the University. B&E wants review and vote of approval.

Discussion of adding zoning tab and area planning tab on the website (Area plans, city planning plans, and the Franklin County Plans). Previous zoning policy documents should be reviewed by the committee members to see if any updates are required.

Introduced topic of what sort of involvement we have in National Night Out. Not ready to host our own event but would be willing to participate.

Summer community outreach. Need to get in touch the CAs to see if they are holding any summer events.

Committee tasks:

Jess: Primary Facebook posting, Student mentoring meeting calendar, back up for emailings

Rita: Emailings for all committees, calendar for zoning, communications, area planning, commission, Nextdoor posting (Southside).

Jaime: Webpage maintenance, back up for facebook posting.

Hari: Calendar for Board of E and A, Nextdoor posting (Northside), web maintenance.

Rita motioned to adjourn, Jess seconded.
