

West Scioto Area Commission Survey 5 Summary

The West Scioto Area Commission (WSAC) is interested in learning more about what area residents want in the area. This information is vital for the commission and the city to know as development is proposed in our area.

Surveys can be found on the WSAC webpage,
<https://www.westsciotoarea.com/survey>.

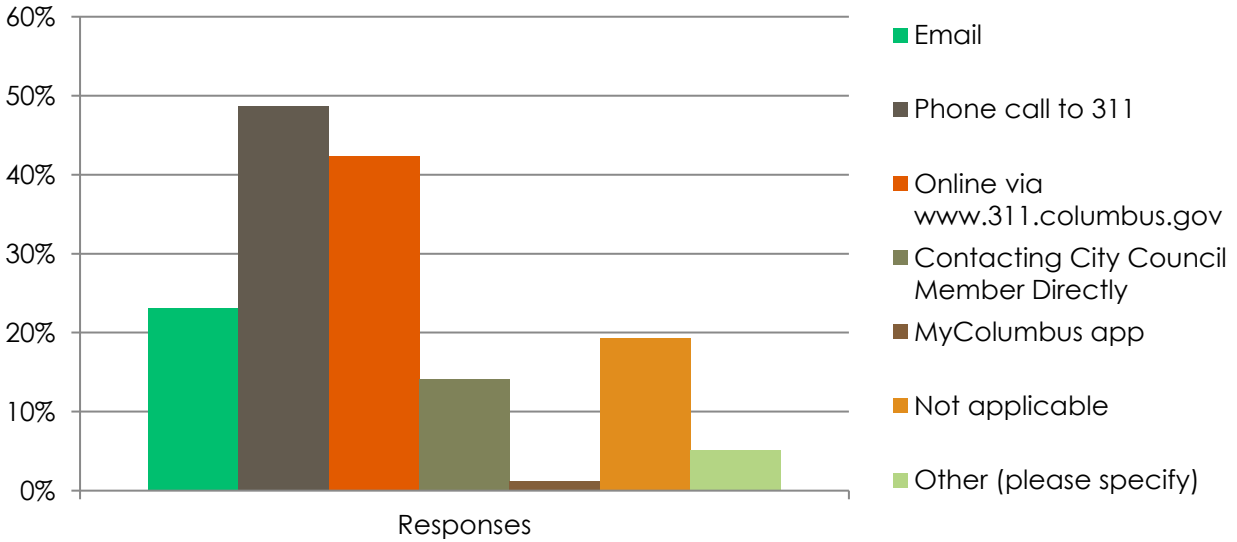

The fifth survey addressed city services in the area. In total 78 responses were collected, respondents represented 15 neighborhoods or streets within the area. Below is a summary of the survey results. The most popular options submitted for Other are listed underneath each graph.

Generally, how would you rate the City
regarding the services it provides in our Area
(choose one):

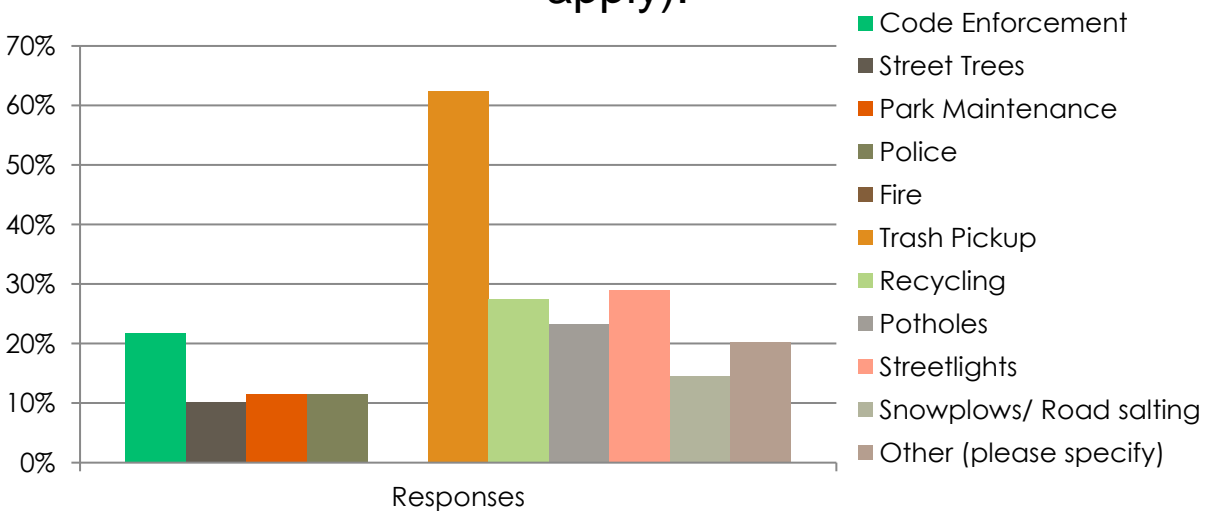

How have you contacted the City about its services (choose all that apply):

Question 2 other: attending community meetings, direct phone calls

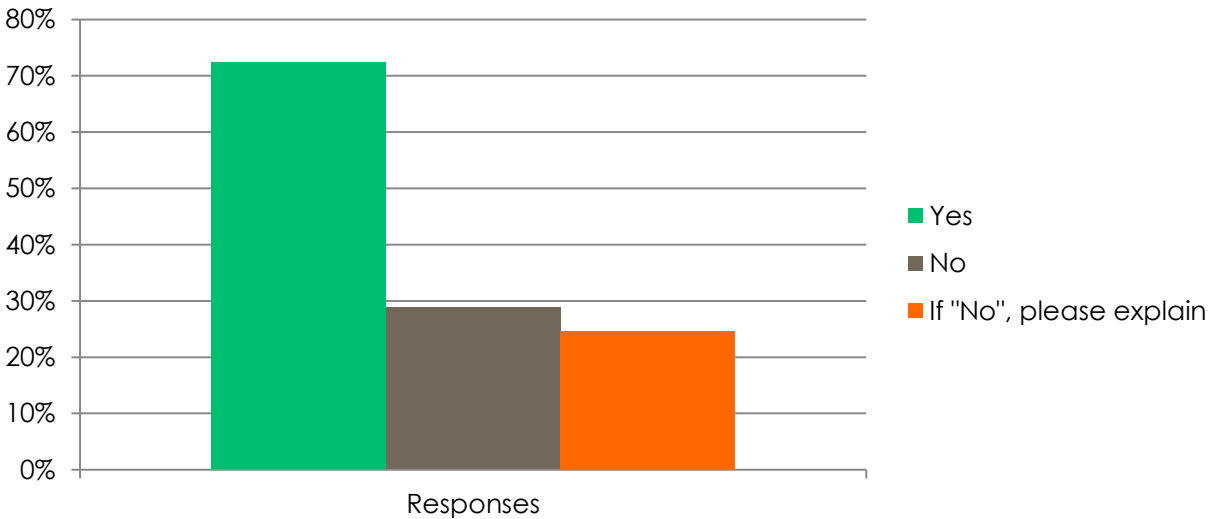

What City service(s) have you contacted the City about in the last year (choose all that apply):

Question 3 other: dead animals, traffic speed and volume through neighborhood, curbs needing repair, large item trash pickup, speed limit signs, traffic, noise from traffic, new trash can, zoning issues

Were your concerns resolved to your satisfaction (choose one):

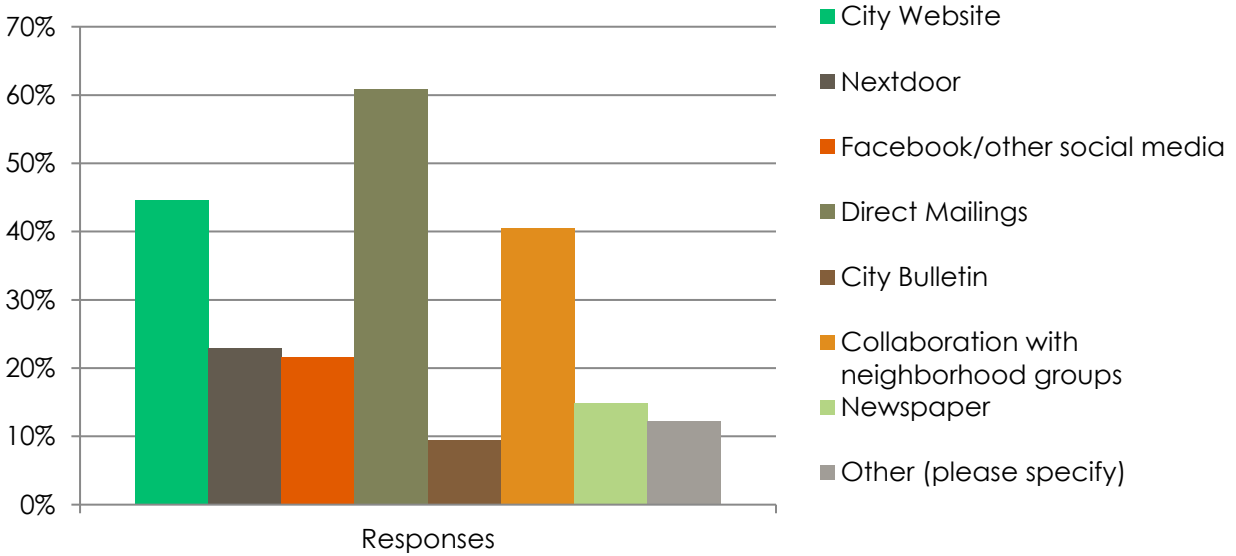

Question 4 other: Stump not removed after tree cut down, Snow removal priority not appropriate, didn't get response after complaint about neighbor setting off fireworks

Question 5: What City services would you like to know more about?

How to get sidewalks. How to get recreation facilities. How to get the city parks cleaned up and old equipment replaced. Snow removal. Yard Waste. Street Cleaning. Recycling. Rezoning. Bike path planning.

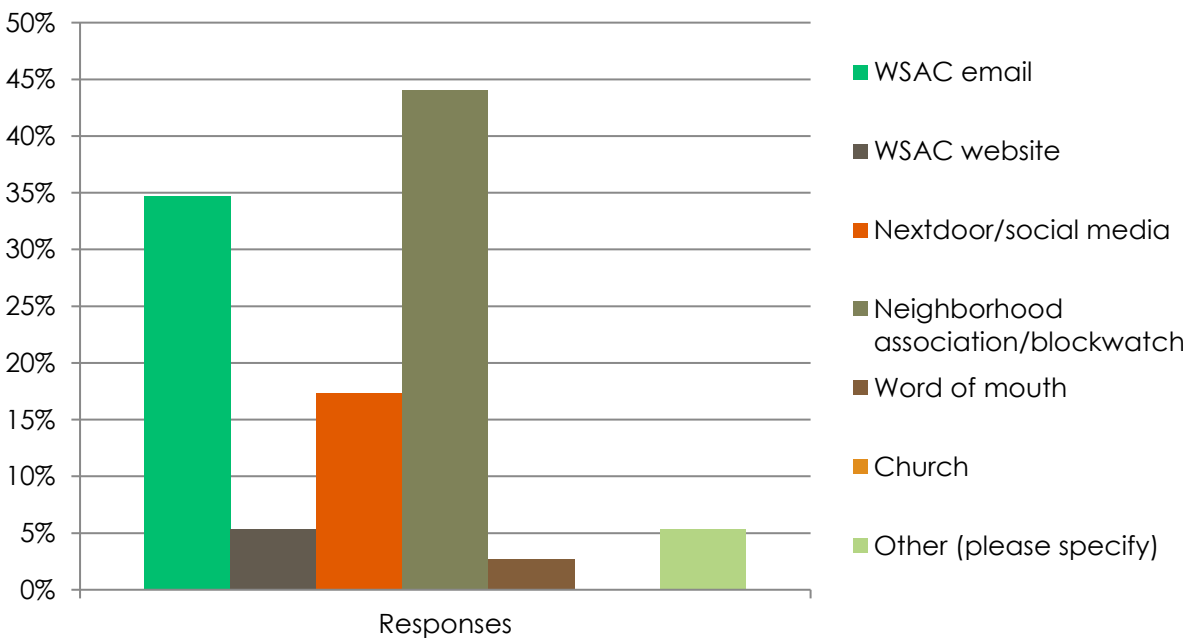

What is the best method for the City to communicate available services?

Question 6 Other: Email, text message
