

West Scioto Area Commission

Desired Area Development Summary

The West Scioto Area Commission (WSAC) is interested in learning more about what area residents want in the area. This information is vital for the Commission and the City to know as development is proposed in our Area.

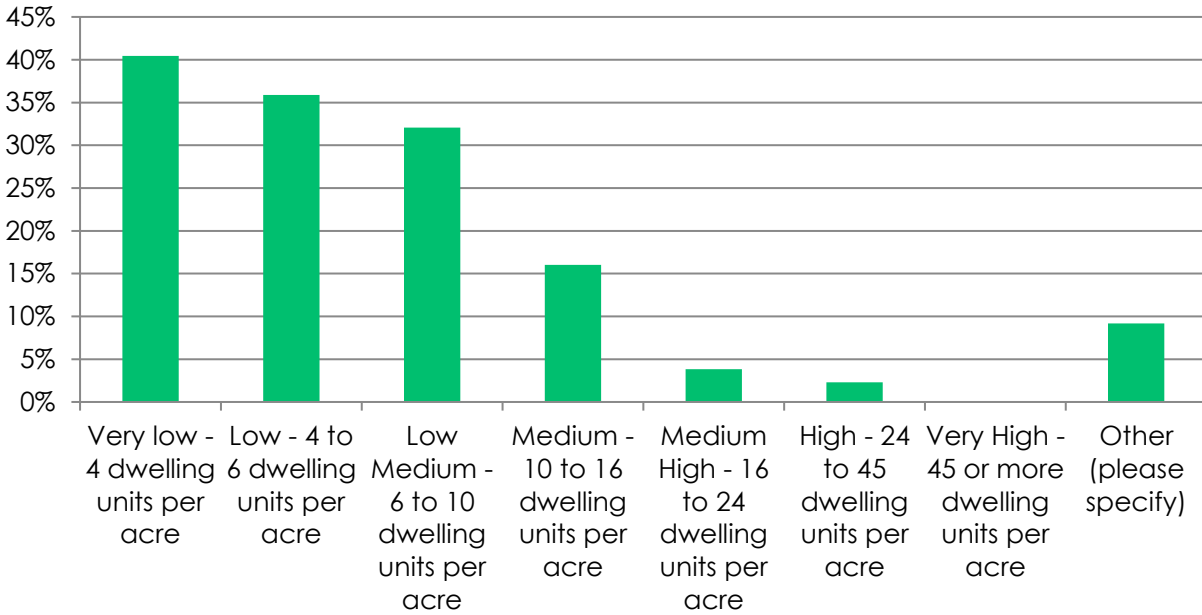

A total of 131 responses were collected; respondents represented 22 neighborhoods or streets within our Area. Below is a summary of the results. The most popular options submitted for Other are listed beneath each graph.

Type(s) of development you would like added to our Area (choose all that apply):

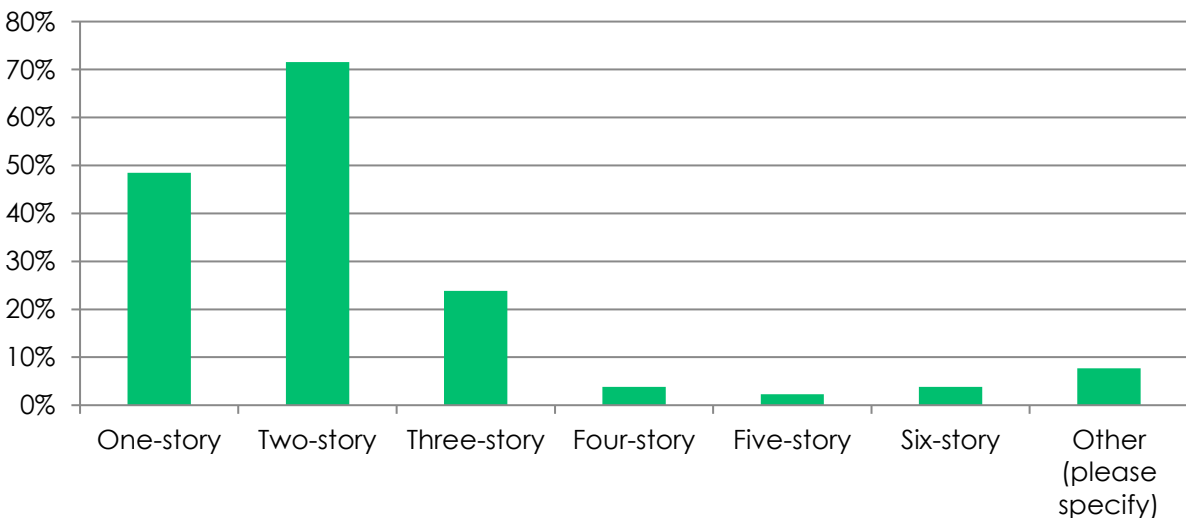

Other: Recreation/parks, restaurants, grocery, walkable/bikeable venues

Density of residential development you would like added to our Area (defined as dwelling units per acre)

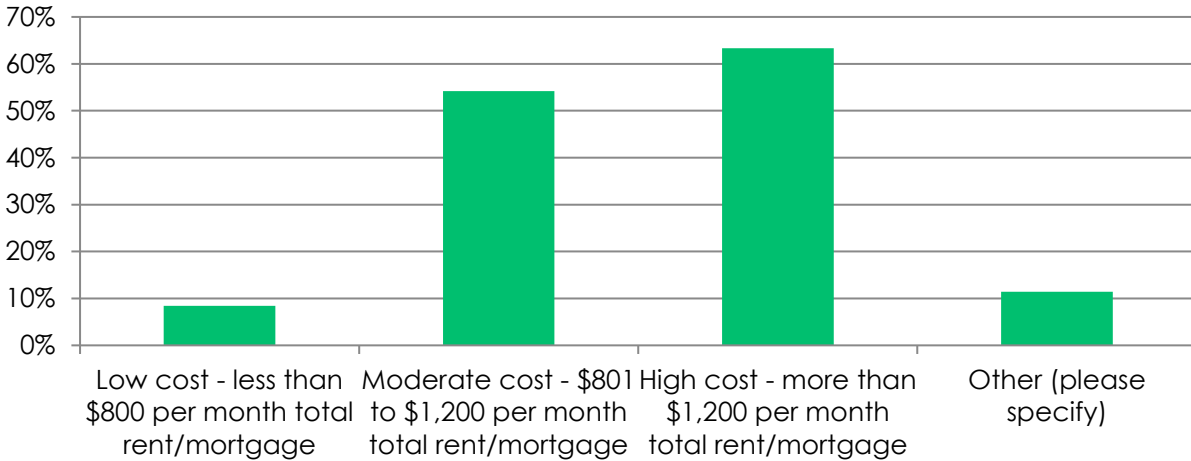

Other: Green space and parks, None

Height of buildings you would like added to our Area (choose all that apply):

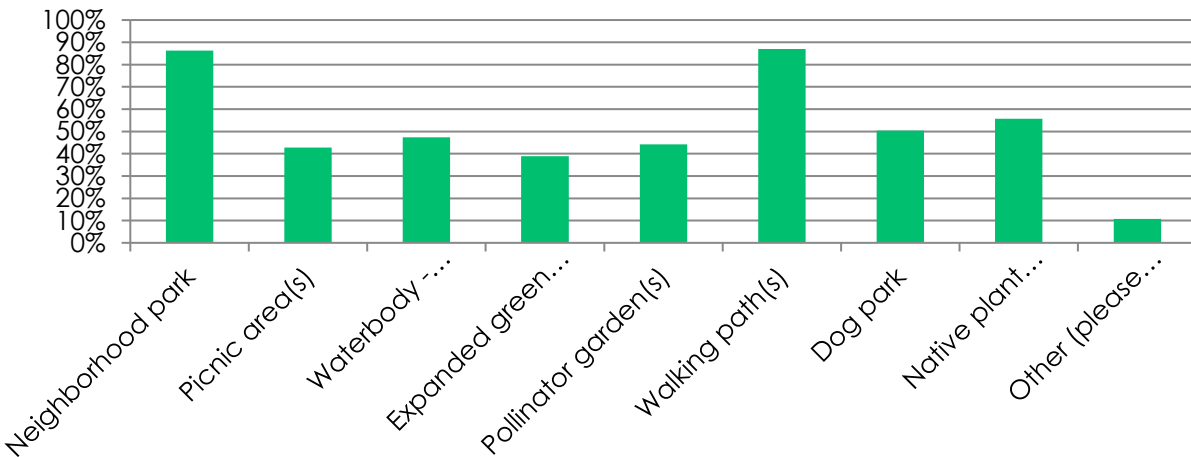

Other: Green space and parks, None, gradual density changes

Affordability of residential development you would like added to our Area (choose all that apply):

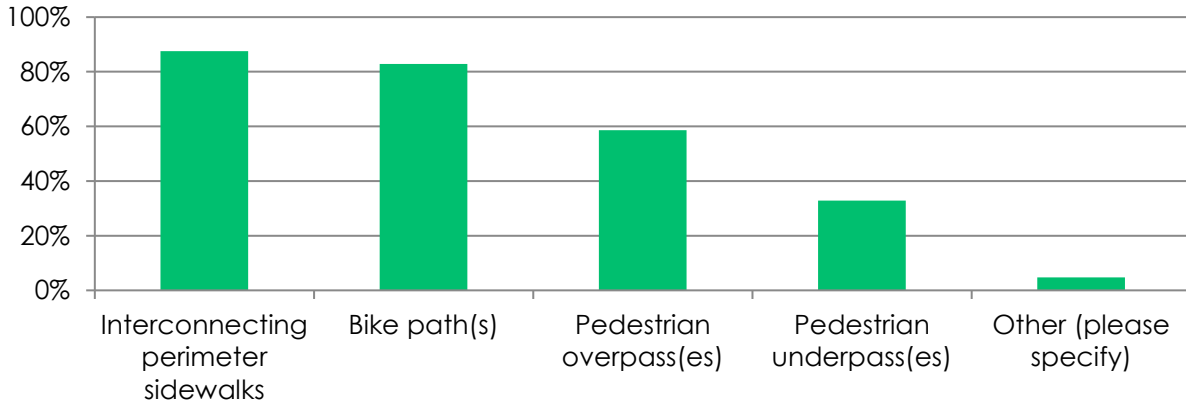

Other: Higher price offerings in homes and condos/apartments

Green space you would like included within developments added to our Area (choose all that apply):

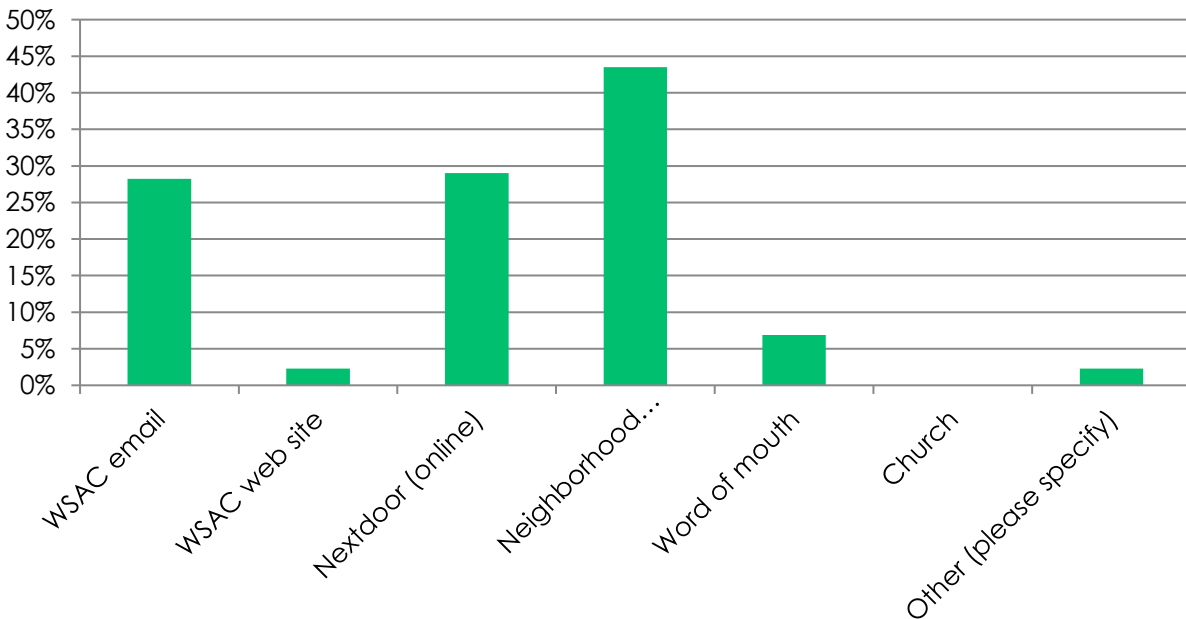

Other: Usable green space, public pool/water feature, bike paths

Connectivity you would like to have between developments added to our Area and existing features/developments (choose all that apply):

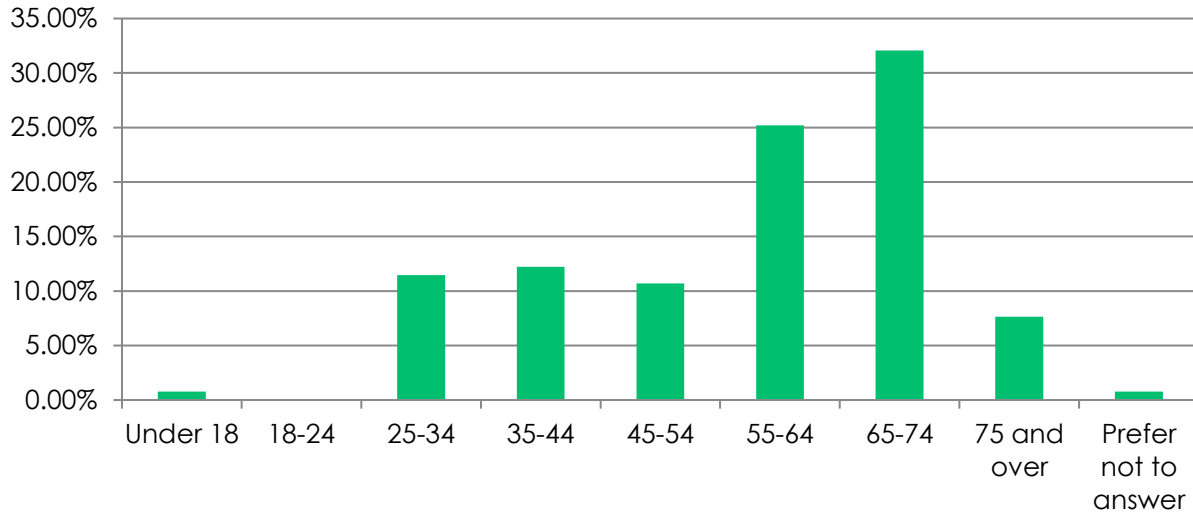

Other: Overpasses for pedestrians to access COTA stops, Signaled crosswalks

How did you learn of this WSAC survey:
