

West Scioto Area Communications Committee Meeting
2/15/23
Minelli's

Attendees: Commissioner Cabral, Commissioner Boyd, Jessica Dyszel

City survey City of Columbus website. Need to give feedback.

<https://cbusareacommissions.org/west-scioto/> needs to be updated to reflect the regular commission meeting location.

City website still lists Brian and zoning chair, needs to be updated.

Make the website punchier and brighter. Put calendar, news, minutes, and hot topics upfront. Looking at Far West for inspiration.

Area survey topics:

Do we want to revisit all of the previous surveys or start a new series. New series, short (approx. 5 questions per survey).

Area survey

This information is important, it helps to inform the city, area commission, and developers understand what is important to area residents.

1. Have you ever attended any of the following city meetings?: city council, development commission, zoning commission, WSAC commission meetings, WSAC zoning meetings, WSAC planning meetings, none of the above

2. What do area residents want from the commission? (Open ended question), and link to email the commission.

3. Do you think that you receive value from the city services that your property tax dollars support?
Yes/no

4. Would you use sidewalks or multi-use paths to access Quarry trails or new parks that are developed in the area? Yes/no

5. Would you visit a rec center if one opened in the area? Yes/No

Potential question for later survey: question about support for those who want to age in place

Meeting was adjourned

Next meeting is in April 19th, 7pm Minelli's
