

THE JACKSONVILLE WATERCOLOR SOCIETY

JWS held its first meeting in February 1982 and today is considered one of the best organizations supporting and promoting watercolor in the United States.

The purpose of the organization is to provide opportunities for members to extend their experience, increase their skills, share their understanding and knowledge of watercolor and water-based painting, - its philosophy, techniques, and presentation; and, to allow members to represent themselves creditably in art exhibitions.

Membership is \$35.00 per year - from January 1 – December 31, and is open to anyone who is interested.

JWS takes pride in presenting well-known artists to inspire members with demonstrations and lectures. Monthly meetings are held at the Mandarin Garden Center.

JWS sponsors two workshops per year (Fall and Spring) that are conducted by nationally known instructors and two annual juried members' shows which are judged by knowledgeable professionals and open to members in good standing.

JUROR'S STATEMENT

It was such an honor to jury the **JWS Spring Show**. There was a wonderful variety of subjects and styles that made my job difficult.

The awarded paintings demonstrated that magical combination of technique, content, and mood or unique perspective.

PRESIDENT'S MESSAGE

I would like to welcome everyone to our Jacksonville Watercolor Society 2023 Spring Show! As you can plainly see from all the wonderful paintings you will see here that we have all been busy painting and every artist on display is excited and proud to share their creations with you. Painting can be a sometimes lonely pastime and its often satisfying to see our art finally framed and hanging for everyone to enjoy.

A huge thanks to all our volunteers who help pull all the fine details of a show together, especially Barbara Holt and Tuni Weiss, our show Co-chairs, and this year's judge, Lorraine Watry. And a very special thank you to Virginia Meadows for her generosity in sponsoring our Show

Sincerely,
