

## THE JACKSONVILLE WATERCOLOR SOCIETY

JWS held its first meeting in February 1982 and today is considered one of the best organizations supporting and promoting watercolor in the United States.

The purpose of the organization is to provide opportunities for members to extend their experience, increase their skills, share their understanding and knowledge of watercolor and water-based painting, - its philosophy, techniques, and presentation; and, to allow members to represent themselves creditably in art exhibitions.

Membership is \$35.00 per year - from January 1 – December 31, and is open to anyone who is interested.

JWS takes pride in presenting well-known artists to inspire members with demonstrations and lectures. Monthly meetings are held at the Cultural Center at Ponte Vedra Beach, 50 Executive Way, Ponte Vedra Beach.

JWS sponsors two workshops per year (Fall and Spring) that are conducted by nationally known instructors and two annual juried members' shows which are judged by knowledgeable professionals and open to members in good standing.

### JUROR'S STATEMENT

I would like to thank the Jacksonville Watercolor Society for inviting me to judge this great show. It was great to see the wide variety of styles and techniques displayed from a very talented group of artists.

It was very tough deciding on awards as there were so many paintings that I loved. When I judge a show like this I decide on winners by looking for paintings that give me the WOW factor. I walk through the entire show a few times quickly looking at the works and only stopping for a moment if I think I see one that gives me that wow factor. Then I go around to each painting and look at all the details followed by going around, again and again, ranking my favorite to least favorite. This doesn't mean that my least favorite paintings are bad paintings, only there are some that I like more.

I hope everyone enjoys the show as much as I did and I congratulate all the artists in the show
