

The Jacksonville Watercolor Society

JWS held its first meeting in February, 1982 and today is considered one of the best organizations supporting and promoting watermedia in the United States.

The purpose of the organization is to provide opportunities for its members to extend their experience, increase their skills, share their understanding and knowledge of watercolor painting, its philosophy, techniques, and presentation; and, to allow members to represent themselves creditably in art exhibitions.

Membership is \$35 per year (from June to June) and is open to anyone who is interested.

JWS takes pride in presenting well known artists to inspire members with demonstrations and lectures. Monthly meetings are held at Building "G," Auditorium Room G101, FCCJ South Campus, at 11901 Beach Blvd., Jacksonville, FL 32099.

JWS sponsors two workshops per year (Fall & Spring) that are conducted by nationally known instructors and two annual juried members' shows which are judged by knowledgeable professionals and open to members in good standing.

President's Greeting

Dear Friends,

The Azaleas are in bloom and so is our Spring Show. We can always count on a first class exhibit. What else do you expect from so many talented artists. Congratulations to you all, especially our award winners. A special thanks to David Daniels for judging our show. Someone told me recently that the Jacksonville Watercolor Society was the most outstanding arts organization in Jacksonville. It could not be so without our members who attend our meetings and volunteer to keep our society thriving. Thank you and enjoy the show!

*Terese Marie Muller
JWS President*

Juror's Statement

I was overwhelmed by the quality of the paintings I was asked to judge. My selection was difficult at best. However the task at hand required me to choose a body of work. Every group will bring with them a uniqueness and distinctive group dynamic, however there are some universal criteria that I use to help me make my selection.

When I stand before a great piece of art, I feel it as well as see it. I do not mean to negate the importance of visual images, but there is much more to a painting than its visual content. A beautifully executed painting can be an empty exercise if the viewer is left with only a checklist of techniques and tricks. The Art must first and foremost express the heart of the artist and the spirit of the medium.

The paintings I selected are exemplary examples of the above criteria
Dave Daniels

Sweet Magnolias' Statement

Sweet Magnolias' Custom Framing is honored to exhibit the Jacksonville Watercolor Society's spring Show 2009.

Located in Arlington for 12 years, our retail store features a 3,000 square foot showroom which exhibits local artists and a variety of events. Our goals include awareness and an ongoing interest in the local arts by providing opportunities for artists to exhibit and expose the visual arts to our community on a regular basis. Attending last year's event validated my opinion that Jacksonville possesses a lot of local talent and we choose to be an active source to convey that message to the general public. We look forward to hosting the JWS' Spring Show, welcome the exhibiting artists and all who would like to experience what Jacksonville's artists have to offer.
