

## The Jacksonville Watercolor Society Welcomes Libit Jones as Juror for Fall Show

October 24 - November 27

The Jacksonville Watercolor Society (JWS) will feature accomplished artist Libit Jones as juror for their annual Fall Show to be held in Ponte Vedra. A native of Texas, Jones

resides in St. Petersburg, Florida. She is a well-known artist and instructor in the Tampa Bay area and a signature member of the statewide Florida Watercolor Society. Jones is also a member of the International Society of Experimental Artists (ISEA).

Her artwork has been featured in some of the most prestigious shows nationally and internationally, and she has received numerous awards.

Although Jones has dabbled in many art forms, watercolor and water-media have captured her heart. Her style is that of bold color mixtures by the use of gouache and yupo. She's fearless in her art and encourages her students to be fearless. Jones shares, "Art, like life, gives us plenty of opportunities to learn and grow. Let's take advantage of them all."

Jones will be our guest artist at our monthly meeting (October 24) as well as the instructor for our three-day workshop (October 25-28) at the Jacksonville Gem and Mineral Society, 3733 Crown Point Road.

The Fall Show's opening and awards reception will be held on October 28. Winners of the Jacksonville Watercolor Society's Inaugural Student Art Show will be exhibited.

Juried Show: October 24-November 27; Awards Reception: October 28 at Christ Episcopal Church Ponte Vedra, 40 San Juan Drive. Free and open to the public.
