

The Jacksonville Watercolor Society

JWS held its first meeting in February, 1982 and today is considered one of the best organizations supporting and promoting watercolor in the U. S.

The purpose of the organization is to provide opportunities for its members to extend their experience, increase their skills, share their understanding and knowledge of watercolor painting, its philosophy, techniques, and presentation; and, to allow members to represent themselves creditably in art exhibitions.

Membership is \$35 per year - from June to June and is open to anyone living in Northeast Florida.

JWS takes pride in presenting well-known artists to inspire members with demonstrations and lectures. Monthly meetings are held on the last Tuesday (unless otherwise specified) of each month from September thru May.

Monthly meetings are held in the Auditorium - Room 101 in Building "G" at the FSCJ South Campus on Beach Blvd.

Two (three to five day) workshops are conducted by celebrated instructors in the Spring and Fall of each year.

Two annual exhibitions are sponsored by JWS and open to members in good standing.

JACKSONVILLE WATERCOLOR SOCIETY, INC.

Fall Show 2009

November 8 - November 30

OPENING RECEPTION

Sunday, November 8 2:00 to 5:00 p.m.

**The St. Augustine Art Association
22 Marine Street
St. Augustine, Florida**

Juror's Statement

Many thanks to all the artists who submitted entries to the Fall Show of the Jacksonville Watercolor Society. The quality of these entries impressed me immediately. Design, color, technique, and the artist's personal vision presented by each piece of work, therefore, determined the criteria for selection. Finally, realizing that space for all pieces entered was limited, I accepted as many paintings as possible.

The award judging process is never an easy task. However, with the preparation and enthusiasm of the JWS staff supporting me, this show was assembled. When the selection process was completed, I was very comfortable with the awards chosen. In my opinion, the winning painters certainly may compete on all levels of American watercolor today.
