JUROR'S STATEMENT

It was an honor to have the opportunity to immerse myself in such a variety of works by such talented artists. The cross section of subject matter, blended with the diversity of styles, only added to my degree of difficulty. Knowing that this level of talent within our world of watercolor exists in Jacksonville inspires me to always strive to continue the impossible task of conquering the most frustrating, yet the most gratifying medium in art!

SHOW CHAIRS' GREETING

It is exciting to be able to welcome you to our 2021 Fall Show. We have not had the opportunity to be together in a while and, in keeping with the theme of our show, we would like to express how thankful we are for the opportunity that Christ Episcopal Church, with the help of Mary Blue Ster, has given us.

Thanks also, to all the members of JWS, for your participation and to our volunteers for your hard work in helping to make this happen.

With your help, we have put together a beautiful show that we can be proud to be a part of.
Thank you and enjoy!

PRESIDENT'S MESSAGE

As the President of the Jacksonville Watercolor Society I am very thankful for another exceptional display of our organization's work. The paintings you will view reflect the talents, dedication, and hard work of our local artists. Each painting tells a story of its creator, the artist.

Please take a moment at each painting and read their statements of thankfulness. Our organization is extremely appreciative and thankful for this church, Christ Episcopal, for opening their walls for us.

Our exhibition is in two buildings, the new Formation Arts Building and the Westbury Parish Hall (Fellowship Hall), so please cross the courtyard to view all the beautiful watercolor paintings.

Personally, I am so thankful you came to visit our exhibition and I hope you enjoy it.

Sincerely,

**Chris Olmoguez, President
Jacksonville Watercolor Society**

Thank
You

THE JACKSONVILLE WATERCOLOR SOCIETY

JWS held its first meeting in February 1982 and today is considered one of the best organizations supporting and promoting watercolor in the United States.

The purpose of the organization is to provide opportunities for members to extend their experience, increase their skills, share their understanding and knowledge of watercolor and water-based painting, - its philosophy, techniques, and presentation; and, to allow members to represent themselves creditably in art exhibitions.

Membership is \$35.00 per year - from January 1 – December 31, and is open to anyone who is interested.

JWS takes pride in presenting well-known artists to inspire members with demonstrations and lectures. Monthly meetings are held at the Mandarin Garden Center.

JWS sponsors two workshops per year (Fall and Spring) that are conducted by nationally known instructors and two annual juried members' shows which are judged by knowledgeable professionals and open to members in good standing.
