

THE JACKSONVILLE WATERCOLOR SOCIETY

JWS held its first meeting in February 1982 and today is considered one of the best organizations supporting and promoting watercolor in the United States.

The purpose of the organization is to provide opportunities for members to extend their experience, increase their skills, share their understanding and knowledge of watercolor and water-based painting, - its philosophy, techniques, and presentation; and, to allow members to represent themselves creditably in art exhibitions.

Membership is \$35.00 per year - from January 1 – December 31, and is open to anyone who is interested.

JWS takes pride in presenting well-known artists to inspire members with demonstrations and lectures. Monthly meetings are held at the Cultural Center at Ponte Vedra Beach, 50 Executive Way, Ponte Vedra Beach.

JWS sponsors two workshops per year (Fall and Spring) that are conducted by nationally known instructors and two annual juried members' shows which are judged by knowledgeable professionals and open to members in good standing.

JUROR'S STATEMENT

I'm honored to be here in Jacksonville and the sunshine state to teach my California Vibe Watercolor Portraiture Workshop and judge the Fall JWS Show.

I certainly had a robust grouping of paintings to peruse, ranging from colorful, intricate abstracts, super energetic landscapes, beautifully articulated still lifes, and compelling figuratives.

Of course, the dilemma I had (and I guess a dilemma for most judges) was assigning the various awards: they were all fantastic!

As you, too, view this exhibit of compelling watercolor art, I am confident that your take away will be a resounding "good show"!
