

Our Values

- We believe in integrity, honesty, accountability, and doing what's right.
- We believe in respecting and treating everyone with dignity regardless of their socio-economic status and/or limitations.
- We believe in equity and acknowledging the inequities that exist within our communities. We recognize that as a community, we have a responsibility to provide opportunities for everyone to overcome barriers and achieve their God-given potential.
- We believe in teamwork and we understand that when we collaborate and work together, we can achieve more with better outcomes.
- We believe in inclusion and diversity in our volunteer base that will provide transformative experiences, empathy, and a better understanding of our community.
- We believe in community and collaboration with agencies, businesses, and other nonprofits in helping our community thrive.
