Our Next Steps

We continue to move forward as we begin to meet with local legions and initiate the discovery for funding. We are so fortunate to have our student Jenni Jackson, who continues to bring her unique social work perspective to our steps. We will be sharing, in our next newsletter, the results of our survey from our door-to-door community outreach. The research will give us direction for our activities in the community centre as well as our neighbourhood's understanding of the veterans we will house. There is much to learn and teach and great opportunities to serve. We continue to look for new board members who come with the same enthusiasm for the community as well as our veterans. If you are interested in being part of this project please contact us. Also, if you have not done so, please log onto our QR code below and answer a few quick questions that will help us as we journey towards the freedom that the Freedom Centre will provide.

Our New Phone

Our new phone number is **226-988-9034**. The old number (519-591-6518) will continue to be answered for some time.

Our New Connections

We were able to be at the Freedom Vendors Event at Riverside Park September 17th and 18th. It was a great opportunity to share our pamphlets, business cards and magnets to the community. We were also given free books from Nikki Rosen, "In the Eye of Deception: A True Story", to hand out to everyone. (If you would like your free copies please email us at info@freedomcentre.ca) It was encouraging to be able to meet so many people who heard of the Freedom Centre already and to engage people in our survey for the neighbourhood.

Our New Volunteer

I am the mother of three adult women. I have 4 grandchildren and 1 great grandchildren. I am a lifelong learner and returned to school after 50 to get my degree in Midwifery. My kids joke that I have taken the beginner course in everything. I am so excited to be a part of what God is doing in Preston and consider it a blessing to be used by Him in any way possible.

Our New Relationships

We had the opportunity to meet with Royal Canadian Legion Branch 272 and Branch Veteran Service Officer Bill Kalbhenn, CD. We continue to look for opportunities to build relationships with all aspects of the service.
