INDIAN RESTAURANT & BANQUET FACILITIES

Our food journey started in Hyderabad, India - where living through the rule of Qutub Shahis, Mughals, and the Nizams, culinary arts have transformed into a specific niche.

"The kitchen is the heart of a restaurant and mastering quality and consistency is key to pleasing the palate." Hence, "Zyka," which means "taste," is the name of the restaurant.

Zyka (Decatur) opened its doors to the public in the summer of 1997. In the winter of 2020, we opened our second location in Alpharetta, GA. We invite you to enjoy Hyderabad food, which is authentic, nostalgic, and affordable.

We Serve Halal Meat

Banquet and Catering Services

Our banquet facilities can accommodate 40 - 450 guests.
