

Fall, 2021

Dear Pilgrim,

Maasay Yahdav wishes you health and blessings today and all your days.

Maasay Yahdav will be preparing over the next few months for the Fall Humanitarian Journey to Israel. Due to the anticipated increase in tourism, hotels may be in high demand. In anticipation of this demand, we have made advanced reservations for 14 (double) rooms from **Oct. 21st through Nov. 6th**. These hotels require a non-refundable advanced deposit. That is why it is so important for you to **register as soon as possible and submit a \$200 deposit by August 15, 2021.**

NOTE: If issues related to the pandemic make travel to Israel impossible, the non-refundable deposit will be refunded.

We have attached a **tentative trip itinerary** for you to examine. (Please understand that this agenda is **flexible** and dependent on the changing demands of the people and organizations we serve). The **total cost of \$1,462 per person** covers double rooms with breakfast from **Oct. 21st through Nov. 6th** and is **due by Sept. 15, 2021.**

NOTE: This does not include the cost of the driver, the transportation or special activities.

This will be a walk in the land with our Father's hand leading us to touch lives in a profound and caring manner. Our call is to minister to holocaust survivors, the elderly, the new immigrants, the children, the widows, the sick, the needy, and the hungry. We use our hands and feet to serve, as directed by the Father, on this journey of service.

Please let Alice Long along323@gmail.com or David Colonna Maasaytreas2018@gmail.com know of your **INTENT** to join us on this life changing event.
