

LETTER FROM THE DIRECTOR OF ADMISSIONS

Thank you for considering Berks Catholic! This view-book will provide information for you to familiarize yourself with Berks Catholic and the extraordinary things our school has to offer your child.

As Director of Admissions, I have the pleasure of meeting most students and their families before they become Saints, and have the privilege to work with so many of them during their high school years. Seeing the students incorporate Berks Catholic's core values each day reminds me how important the role is of our administration, faculty and staff. Our students are why we are all here, and their success is what motivates us.

We share your enthusiasm about your child's future, both at Berks Catholic and after. I am confident that our school will provide your child with a strong academic foundation while preparing for the future and to be College and Life Ready.

Berks Catholic takes pride on teaching and following the Gospel values while incorporating our four pillars of success: God, Family, Academics and Fun. Teaching and growing with these core values will help guide your child towards a successful future.

Please contact me to find out how your sons and daughters can **Be A Saint!**

God bless you and your families.
Go Saints!

Nicky Smith

We love, care and respect our students for each of their own God given talents and abilities. Come be part of something great!
