

BERKS CATHOLIC HIGH SCHOOL

GOD | FAMILY | ACADEMICS | FUN

Berks Catholic High School recognizes the sacrifices that families make in order to provide a faith-based education and annually awards tuition assistance to families who show financial need through an application process. *In order to apply for Financial Aid at Berks Catholic High School your student must be registered. (Completed application and registration fee sent in for new and incoming students)

Families applying for financial aid will need to complete an application and submit the necessary supporting documentation to FACTS Grant & Aid Assessment by April 15, 2020. Financial Aid applications for the 2020-2021 school year will be processed by FACTS Grant and Aid. All need-based awards will be contingent on reception of the most recent tax return.

DID YOU KNOW? 529 PLANS CAN BE USED!

The Tax Cuts and Jobs Act, which was signed into law in December 2017, allows families to use your 529 plans to pay for up to \$10,000 in tuition expenses at elementary or secondary public, private or parochial schools. The changes became effective on January 1, 2018. To learn more about that please visit: savingforcollege.com

DID YOU KNOW? Participating in the SCRIP program directly benefits your tuition account?

Families that participate in the SCRIP program receive direct credits to your Berks Catholic account. Berks catholic does not use this program as a fundraiser, rather a means to aid our families.

Families can start purchasing scrip prior to enrollment at Berks Catholic to build up their credits. Please visit the quick links section of the Berks Catholic website to start purchasing Scrip and earning credits to your BC account.
