

BERKS CATHOLIC HIGH SCHOOL

GOD | FAMILY | ACADEMICS | FUN

The goal of BCPTO is to partner with you, the parents and guardians, to support Berks Catholic in its mission to create a Christ-centered environment for academic excellence by enriching the relationship between home and school.

EVERY FAMILY is a member of the PTO! Active participation will enhance your sense of community as well as give you a voice in the school. It's also a wonderful way to meet and connect with other parents and create new friendships. There are many opportunities to participate, so we look forward to seeing you soon.....reach us anytime at pto@berkscatholic.org

Involvement and support can also be through donation of needed goods, supplies or your time at an event. PTO meetings are posted on the school calendar and will be sent to all families in a one call message to the email you provided the school. Please note if you have opted out of a message in the past you will not receive messages and would need to contact Mrs. Woytovich at bwoytovich@berkscatholic.org to be added back to the notification list. Parents wishing to be involved in PTO activities should contact [Amy Chiarelli@msn.com](mailto:AmyChiarelli@msn.com). There is no need to "join the PTO" being a parent at Berks Catholic makes you a part of the PTO.

How Do I Find Out About Specific Volunteer Opportunities?

Leave a message at pto@berkscatholic.org and a member of PTO will reach out to you.

Berks Catholic Boosters

As the days and nights cool off, as routines start to fall into place for school, homework, sports and other activities, it is time to take a deep breath and get to know our new school community. Coming out to our sporting events and cheering on our New Saints teams is a great way to catch the new school spirit and to get to know our students and families! No experience is required to help out at the Saint's Grill - our new concession stand - only a smile and a willingness to help! It really is a great way to get to know everyone and to have a lot of fun. If you are able to help out, click on the following links to find out opportunities! Looking forward to seeing you!
