

Hardship often prepares  
an ordinary person for an  
extraordinary destiny.

*The Guidance Department at Berks Catholic High School recognizes the challenges that students may face in preparing for their future. The goal of the department is to work collaboratively as a team to help each student reach their full learning potential. The department strives to create and maintain an environment that nurtures students and supports parents through all four years of high school and provides tools and resources to take with them in the future. When needed, Guidance refers to outside providers and continues to work with you and your family to provide support in school.*
