## Chattanooga Bluebird Society

**Serving the following counties: Bradley, Hamilton, Marion,  
Meigs, McMinn, Sequatchie**

The Chattanooga Bluebird Society is a chapter of the Tennessee Bluebird Society based in the Chattanooga area. Formed in 2021 by Lisa Lemza and Alison Hoffman, It currently has installed 27 bluebird trails consisting of 172 birdhouses, has over 130 members and has built hundreds of birdhouses to support its trail building efforts. We are proud to have nearly 800 birds fledge from our trail houses this past year and are working hard to establish new trails throughout southeastern Tennessee this year. If you are interested in joining our chapter and monitoring nest boxes, the link for the membership application can be found under the Chattanooga Bluebird Society chapter tab
