Bachelor Party

We specialize in smoked meat, but the party doesn't stop there. I enjoy cooking Traditional American, Italian, and Mexican styles. If you do not see something let me know and we can discuss options.

The meat is smoked and cooked to temperature in our wood burning smoker using Native Wisconsin Hardwoods. Adam, the Pitmaster, has over 20 years of expertise on how to get your meat just right!

All our foods are made from scratch family recipes.
