### COMPLETE APPLICATION

To complete your application, please attach to this form the following. **PDF format is preferred.** Submission is via email. Please adhere to the given page and word limits. We may reject your application if you do not.

1. This Application Form (2 pages) with certifications below completed and signed.
2. A one-page (only) Project Summary (up to 900 words). Should be in enough detail for the Grants Committee to understand your project. Remember to include how you will monitor your progress and judge success.
3. A one-page Project Budget. Show all anticipated expenses for your Project, not just those you will pay with the grant. Discuss other sources of project funds including donations, volunteer labor, and any project income (e.g., an event for which you will charge). Show how the grant will be used. Include any information you can on the importance of receiving this grant to your Project.
4. You may include a limited number of additional supporting pages that you feel may assist the Grants Committee in evaluating your application. For example, maps, photos, or drawings of the Project area, relevant previous work, letters of support, etc.

**APPLICATION CERTIFICATIONS** (applications will not be accepted without the endorsement of these certifications):

1) I/We agree to recognize the Connecticut Federation of Lakes (CFL) as having supported this project, and to present a project report at a future CFL meeting.

Initials \_\_\_\_\_

2) I/We grant to the Connecticut Federation of Lakes (CFL) permission to publish article(s) regarding our Project in its various communications outlets such as their website, and Member newsletters.

Initials \_\_\_\_\_

3) I/We certify that the project will comply with all applicable Federal, State, and local regulations including obtaining all applicable permits and approvals as required.
